On May 27, June 3, and June 10, 2005,
the Committee for Purchase From
People Who are Blind or Severely
Disabled published notice (70 FR 30692,
32570, and 33883) of proposed
additions to the Procurement List.

After consideration of the material
presented to it concerning capability of
qualified nonprofit agencies to provide
the products and services and impact of
the additions on the current or most
recent contractors, the Committee has
determined that the products and
services listed below are suitable for
procurement by the Federal Government
under 41 U.S.C. 46-48c and 41 CFR 51-

Regulatory Flexibility Act Certification

I certify that the following action will
not have a significant impact on a
substantial number of small entities.
The major factors considered for this
certification were:

1. The action will not result in any

entities other than the small
organizations that will furnish the
products and services to the
government.

2. The action will result in
authorizing small entities to furnish the
products and services to the
government.

3. There are no known regulatory
alternatives which would accomplish
the objectives of the Javits-Wagner-
O'Day Act (41 U.S.C. 46-48c) in
connection with the products and
services proposed for addition to the
