

Baton Rouge casino as necessary to fulfill his or her obligations.

The Commission's Hold Separate Order requires that PNG hold separate and maintain the viability of the Argosy Baton Rouge casino as a competitive operation from the date PNG acquires Argosy until the business is transferred to the Commission-approved acquirer. Furthermore, it contains measures designed to ensure that no material confidential information is exchanged between the PNG and the Argosy Baton Rouge casino (except as otherwise provided in the Consent Agreement), and provisions designed to prevent interim harm to competition in the Baton Rouge, Louisiana, metropolitan area casino services market pending divestiture. The Hold Separate Order names Frank Quigley, the present general manager of the casino, as the Hold Separate Trustee who is charged with the duty of monitoring Penn's compliance with the Consent Agreement and Hold Separate Order until the casino is divested.

In order to ensure that the Commission remains informed about the status of Argosy's Baton Rouge casino's pending divestiture, and about the efforts being made to accomplish the divestiture, the Consent Agreement requires PNG to file periodic reports with the Commission until the divestiture is completed.

The purpose of this analysis is to facilitate public comment on the Consent Agreement, and is not intended to constitute an official interpretation of the proposed Decision and Order or the Order to Maintain Assets, or to modify their terms in any way.

By direction of the Commission.

Donald S. Clark,

Secretary.

Cooperative Agreement With the Joint United Nations Programme on HIV/AIDS (UNAIDS) Through the World Health Organization (WHO) as Bona Fide Agent; Notice of Intent To Fund Single Eligibility Award

A. Purpose

The purpose of the program is to support the field-centered technical collaborations between the U.S.

Government and the United Nations in support of national HIV/AIDS programs and strategies in priority countries. In particular, CDC Global AIDS Program and the Joint United Nations Programme on HIV/AIDS (UNAIDS) will serve as primary collaborators on behalf of their organizational counterparts and, through this program, facilitate the technical cooperation between the U.S. Government and the United Nations.

The Catalog of Federal Domestic Assistance number for this program is 93.067.

B. Eligible Applicant

Applications may only be submitted by the Joint United Nations Programme on HIV/AIDS (UNAIDS), through a Bona Fide agent, if necessary.

A Bona Fide Agent is an agency/organization identified by the applicant as eligible to submit an application under the UNAIDS eligibility in lieu of an application submitted directly by UNAIDS. This is done specifically in recognition that WHO is the bona fide agent for HIV/AIDS as it relates to the receipt of external funds for program implementation. In applying as a bona fide agent of UNAIDS, WHO must provide a letter from UNAIDS as documentation of its status. Place this documentation behind the first page of your application form.

C. Funding

Approximately \$2,000,000 is available in FY 2005 to fund this award. It is expected that the award will begin on or before August 31, 2005, and will be made for a 12-month budget period within a project period of up to four years. Funding estimates may change.

A. Purpose

The Centers for Disease Control and Prevention (CDC) announces the intent to award fiscal year (FY) 2005 funds for a cooperative agreement program.
