

above. All persons who serve on the panel will be external to the U.S. Government Country Program Office. The panel may include both Federal and non-Federal participants.

In addition, the following factors could affect the funding decision:

While U.S.-based organizations are eligible to apply, we will give preference to existing national/South African organizations. It is possible for one organization to apply as lead grantee with a plan that includes partnering with other organizations, preferably local. Although matching funds are not required, preference will be given to organizations that can leverage additional funds to contribute to program goals.

Applications will be funded in order by score and rank determined by the review panel. HHS/CDC will provide justification for any decision to fund out of rank order.

V.3. Anticipated Announcement and Award Dates

September 15, 2005.

VI. Award Administration Information

VI.1. Award Notices

Successful applicants will receive a Notice of Award (NoA) from the HHS/CDC Procurement and Grants Office. The NoA shall be the only binding, authorizing document between the recipient and HHS/CDC. An authorized Grants Management Officer will sign the NoA, and mail it to the recipient fiscal officer identified in the application.

Unsuccessful applicants will receive notification of the results of the application review by mail.

VI.2. Administrative and National Policy Requirements

45 CFR Part 74 and Part 92.

For more information on the Code of Federal Regulations, see the National Archives and Records Administration at the following Internet address: <http://www.access.gpo.gov/nara/cfr/cfr-table-search.html>.

The following additional requirements apply to this project:

- AR-10 Smoke-Free Workplace Requirements.
- AR-12 Lobbying Restrictions.
- AR-15 Proof of Non-Profit Status.
- AR-21 Small, Minority, and Women-Owned Business.

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Centers for Medicare & Medicaid Services

[Document Identifier: CMS-10001 and CMS-10009]

Emergency Clearance: Public Information Collection Requirements Submitted to the Office of Management and Budget (OMB)

Agency: Center for Medicare & Medicaid Services.

In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Centers for Medicare & Medicaid Services (CMS), Department of Health and Human Services, is publishing the following summary of proposed collections for public comment. Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency's functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

We are, however, requesting an emergency review of the information collection referenced below. In compliance with the requirement of section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, we have submitted to the Office of Management and Budget (OMB) the following requirements for emergency review. We are requesting an emergency review because the collection of this information is needed before the expiration of the normal time limits under OMB's regulations at 5 CFR part 1320. This is necessary to ensure compliance with an initiative of the Administration. We cannot reasonably comply with the normal clearance procedures because of an unanticipated event.

Department regulations in 45 CFR 146.121(i)(4) require that if coverage has been denied to any individual because the sponsor of a self-funded non-Federal governmental plan has elected under 45 CFR part 146 to exempt the plan from the requirements of § 146.121, and the plan sponsor subsequently chooses to bring the plan into compliance, the plan must: Notify the individual that the plan will be coming into compliance; afford the individual an opportunity to enroll that continues for at least 30 days; specify the effective date of compliance; and inform the individual regarding any enrollment restrictions that may apply once the plan is in compliance.

The burden associated with this requirement was approved by The Office of Management and Budget (OMB) under OMB control number 0938-0827. However, this OMB control number was inadvertently discontinued prior to its renewal date. CMS is seeking the re-instatement of this control number as none of the requirements have changed. In accordance with the Paperwork Reduction Act of 1995, the reinstatement request will be addressed in an emergency information collection request. In addition, CMS-2078-P (66 FR 1421) describes bona fide wellness programs. Section 146.121(f)(1)(iv) stipulates that the plan or issuer disclose in all plan materials describing the terms of the program the availability of a reasonable alternative standard to qualify for the reward under a wellness program. However, in plan materials that merely mention that a program is available, without describing its terms, the disclosure is not required.

The burden associated with this requirement was approved by The Office of Management and Budget (OMB) under OMB control number 0938-0819. However, this OMB control number was inadvertently discontinued prior to its renewal date. CMS is seeking

the re-instatement of this control number as none of the requirements have changed. In accordance with the Paperwork Reduction Act of 1995, the reinstatement request will be addressed in an emergency information collection request.
