**SUPPLEMENTARY INFORMATION:** This  
patent-based section 337 investigation  
was instituted by the Commission based  
on a complaint (as subsequently  
amended) that was filed by Ford Global  
Technologies, LLC (“Ford”). 70 FR  
30973 (May 31, 2005). The amended  
complaint alleged a violation of section  
337 of the Tariff Act of 1930 with  
respect to the importation into the  
United States, the sale for importation  
and/or sale within the United States  
after importation, of certain automotive  
grilles by reason of infringement of U.S.  
Design Patent No. 498,187. The notice of  
investigation named two respondents:  
Keystone Automotive Industries, Inc.  
 (“Keystone”) of Pomona, California; and  
Y.C.C. Parts Manufacturing Co., Ltd.  
 (“Y.C.C.”) of Taiwan.

On May 24, 2005, Ford filed a letter  
with the Commission Secretary seeking  
to withdraw the amended complaint.  
Ford indicated that it sought a  
withdrawal in order to investigate two  
alleged items of prior art brought to its  
attention by one of the respondents.

On May 31, 2005, Keystone filed a  
response indicating that it had supplied  
the alleged prior art references to Ford,  
and that it did not oppose the motion to  
terminate the investigation. On June 3,  
2005, the Investigative Attorney filed a  
response in support of the motion.

Y.C.C. did not file a response. On July 14, 2005, the presiding ALJ issued the subject ID, granting the motion for termination. No petitions for review of the ID were filed.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in section 210.42(h)(3) of the Commission's Rules of Practice and Procedure (19 CFR 210.42(h)(3)).

Issued: August 9, 2005.

By order of the Commission.
