## SECURITIES AND EXCHANGE COMMISSION

### Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

*Extension:* Rule 10A-1; SEC File No. 270-425; OMB Control No. 3235-0468.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities

and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

Rule 10A-1 implements the reporting requirements in Section 10A of the Exchange Act, which was enacted by Congress on December 22, 1995 as part of the Private Securities Litigation Reform Act of 1995, Public Law No. 104-67. Under section 10A and Rule 10A-1 reporting occurs only if a registrant's board of directors receives a report from its auditors that (1) There is an illegal act material to the registrant's financial statements, (2) senior management and the board have not taken timely and appropriate remedial action, and (3) the failure to take such action is reasonably expected to warrant the auditor's modification of the audit report or resignation from the audit engagement. The board of directors must notify the Commission within one business day of receiving such a report. If the board fails to provide that notice, then the auditor, within the next business day, must provide the Commission with a copy of the report that it gave to the board.

Likely respondents are those registrants filing audited financial statements under the Securities Exchange Act of 1934 and the Investment Company Act of 1940.

It is estimated that Rule 10A-1 results in an aggregate additional reporting burden of 10 hours per year. The estimated average burden hours are solely for purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even a representative survey or study of the costs of SEC rules or forms.

There are no recordkeeping retention periods in Rule 10A-1. Because of the one business day reporting periods, recordkeeping retention periods should not be significant.

Filing the notice or report under Rule 10A-1 is mandatory once the conditions noted above have been satisfied.

Because these notices and reports discuss potential illegal acts, they are considered to be investigative records and are kept confidential.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of

Management and Budget, Room 10102, New Executive Office Building, Washington, DC 20503 or by e-mail: *David\_Rostker@omb.eop.gov*, and (ii) R. Corey Booth, Director/Chief Information Officer, Office of Information Technology, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

Dated: August 3, 2005.
