#### Central Illinois Generation, Inc.; Notice of Issuance of Order

August 10, 2005.

Central Illinois Generation, Inc. (CIGI) filed an application for market-based rate authority, with an accompanying rate tariff. The proposed rate tariff provides for wholesale sales of energy, capacity and ancillary services at market-based rates. CIGI also requested waiver of various Commission regulations. In particular, CIGI requested that the Commission grant blanket approval under 18 CFR part 34 of all future issuances of securities and assumptions of liability by CIGI.

On October 25, 2002, the Commission granted the request for blanket approval under part 34, subject to the following:

Any person desiring to be heard or to protest the blanket approval of issuances of securities or assumptions of liability by CIGI should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure. 18 CFR 385.211, 385.214 (2004).

Notice is hereby given that the deadline for filing motions to intervene or protest, is August 19, 2005.

Absent a request to be heard in opposition by the deadline above, CIGI is authorized to issue securities and assume obligations or liabilities as a guarantor, endorser, surety, or otherwise in respect of any security of another person; provided that such issuance or assumption is for some lawful object within the corporate purposes of CIGI, compatible with the public interest, and is reasonably necessary or appropriate for such purposes.

The Commission reserves the right to require a further showing that neither public nor private interests will be adversely affected by continued approval of CIGI's issuances of securities or assumptions of liability.
