

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-52262; File No. SR-CBOE-2005-61]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Extension of a Pilot Program That Increases the Standard Position and Exercise Limits for Certain Options Traded on the Exchange

August 15, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)¹ and Rule 19b-4 thereunder,² notice is hereby given that on August 11, 2005, the Chicago Board Options Exchange, Incorporated (“CBOE” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the CBOE. The Exchange has filed the proposal as a “non-controversial” rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The CBOE proposes to extend an existing pilot program that increases the standard position and exercise limits for certain options traded on the Exchange (“Pilot Program”). The text of the proposed rule change is available on the CBOE’s Web site (<http://www.cboe.com>), at the CBOE’s principal office, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has

prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Pilot Program, as previously approved by the Commission, provides for an increase to the standard position and exercise limits for equity option contracts and for options on QQQs for a six month period.⁵ Specifically, the Pilot Program increased the applicable position and exercise limits for equity options and options on the QQQ in accordance with the following levels:⁶

Current equity option contract limit	Pilot Program equity option contract limit
13,500 contracts	25,000 contracts.
22,500 contracts	50,000 contracts.
31,500 contracts	75,000 contracts.
60,000 contracts	200,000 contracts.
75,000 contracts	250,000 contracts.
Current QQQ Option Contract Limit.	Pilot Program QQQ Option Contract Limit
300,000 contracts	900,000 contracts.

The purpose of the proposed rule change is to extend the Pilot Program for an additional six-month period. The Exchange believes that extending the Pilot Program for six months is warranted due to the positive feedback from members and for the reasons cited in the original rule filing that proposed the adoption of the Pilot Program.⁷ Also, the Exchange has not encountered any problems or difficulties relating to the Pilot Program since its inception. For these reasons, the Exchange requests that the Commission extend the Pilot Program for an additional six months.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the requirements provided under Section 6(b)(5) of the Act that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and, in general, to protect investors and the public interest.

⁵ The Pilot Program, which the Commission approved on February 23, 2005, is set to expire on August 23, 2005. See Securities Exchange Act Release No. 51244 (February 23, 2005), 70 FR 10010 (March 1, 2005) (order approving SR-CBOE-2003-30, as amended) (“Pilot Program Order”).

⁶ Except when the Pilot Program is in effect.

⁷ See Pilot Program Order, *supra* note 5.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The CBOE does not believe that the proposed rule change will impose any burden on competition.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the forgoing rule change does not: (1) Significantly affect the protection of investors or the public interest; (2) impose any significant burden on competition; and (3) become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹

A proposed rule change filed under 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.¹⁰ However, Rule 19b-4(f)(6)(iii)¹¹ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange provided the Commission with written notice of its intent to file this proposed rule change at least five business days prior to the date of filing the proposed rule change. In addition, the Exchange has requested that the Commission waive the 30-day pre-operative delay. The Commission believes that waiving the 30-day pre-operative delay is consistent with the protection of investors and in the public interest because it will allow the Pilot Program to continue uninterrupted.¹²

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the Act.
