(Garvey). The agreement was executed by the United States Environmental Protection Agency on July 11, 2005, and concurred upon by the United States Department of Justice on August 8, 2005. The agreement would resolve certain potential CERCLA and RCRA claims against AGP Grain Marketing, LLC, and is subject to final approval after the comment period.

The Site is an active grain elevator facility. The proposed agreement requires AGP Grain Marketing, LLC to pay \$2,050,000.00 into an escrow account following the sale of the Site property to AGP to be used by Garvey to implement response actions at the Site. In addition, AGP will be required to provide access to the Site, refrain from any activity that would interfere with the response actions or exacerbate the existing contamination at the Site, and comply with certain use restrictions. Appendix A to the Agreement is the Escrow Agreement that details the process for EPA to approve disbursements from the Escrow Fund. The Escrow Agreement also provides for a Security Agreement to be executed by Garvey and EPA. The proposed agreement grants AGP a covenant not to sue pursuant to sections 106 and 107(a) of CERCLA, 42 U.S.C. 9606 and 9607(a), subject to certain EPA reservations of rights.

This notice is also given in accordance with section 7003(d) of
