SUPPLEMENTARY INFORMATION:

Note: In March 2003, the agricultural import and entry inspection activities that had been performed by employees of the Animal and Plant Health Inspection Service (APHIS) were transferred to the Department of Homeland Security (DHS). Some of the regulations cited in this notice have not yet been updated to reflect this change, so in the interests of consistency with those regulations this notice continues to refer to "APHIS employees" and services provided or work performed by APHIS employees. Readers should be aware, however, that DHS personnel are currently performing certain of the agricultural import and entry inspection activities discussed in this notice for which overtime charges or user fees are applicable.

Reimbursable Overtime Charges

The regulations in 7 CFR chapter III and 9 CFR chapter I, subchapters D and G, require inspection, laboratory testing, certification, or quarantine of certain

animals, poultry, animal byproducts, germ plasm, organisms, vectors, plants, plant products, or other regulated commodities or articles intended for importation into, or exportation from, the United States. With some exceptions, when these services must be provided by an APHIS employee on a Sunday or on a holiday, or at any other time outside the APHIS employee's regular duty hours, the Government charges an hourly overtime fee for the services in accordance with 7 CFR part 354 and 9 CFR part 97.

In a final rule published in the **Federal Register** on July 25, 2002 (67 FR 48519-48525, Docket No. 00-087-2), and effective August 11, 2002, we established, for fiscal years 2002 through 2006 and beyond, reimbursable overtime rates for Sunday, holiday, or other overtime work performed by APHIS employees for any person, firm, or corporation having ownership, custody, or control of animals, poultry, animal byproducts, germ plasm, organisms, vectors, plants, plant products, or other regulated commodities or articles subject to inspection, laboratory testing, certification, or quarantine. In this document we are providing notice to the public of the reimbursable overtime fees for fiscal year 2006 (October 1, 2005, through September 30, 2006).

Under the regulations in 7 CFR 354.1(a) and 9 CFR 97.1(a), any person, firm, or corporation having ownership, custody or control of plants, plant products, animals, animal byproducts, or other commodities or articles subject to inspection, laboratory testing, certification, or quarantine who requires the services of an APHIS employee on a Sunday or holiday, or at any other time outside the regular tour of duty of that employee, shall sufficiently in advance of the period of Sunday, holiday, or overtime service request the APHIS inspector in charge to furnish the service during the overtime or Sunday or holiday period, and shall, beginning October 1, 2005, pay the Government at the rate listed in the following table:

OVERTIME FOR INSPECTION, LABORATORY TESTING, CERTIFICATION, OR QUARANTINE OF PLANTS, PLANT PRODUCTS, ANIMALS, ANIMAL PRODUCTS, OR OTHER REGULATED COMMODITIES

Outside the employee's normal tour of duty	Overtime rates (per hour) beginning Oct. 1, 2005
Monday through Saturday and holidays	\$51.00
Sundays	67.00

As specified in 7 CFR 354.1(a)(1)(iii) and 9 CFR 97.1(a)(3), the overtime rates to be charged beginning October 1, 2005, to owners and operators of aircraft at airports of entry or other places of inspection as a consequence of the operation of the aircraft, for work performed outside of the regularly established hours of service will be as follows:

OVERTIME FOR COMMERCIAL AIRLINE INSPECTION SERVICES¹

Outside the employee's normal tour of duty	Overtime rates (per hour) beginning Oct. 1, 2005
Monday through Saturday and holidays	\$41.00
Sundays	55.00

¹ These charges exclude administrative overhead costs.

A minimum charge of 2 hours shall be made for any Sunday or holiday or unscheduled overtime duty performed by an employee on a day when no work was scheduled for him or her, or which is performed by an employee on his or her regular workday beginning either at least 1 hour before his or her scheduled tour of duty or which is not in direct continuation of the employee's regular tour of duty. In addition, each such period of Sunday or holiday or unscheduled overtime work to which the 2-hour minimum charge provision applies may include a commuted traveltime period (see 7 CFR 354.1(a)(2) and 9 CFR 97.1(b)).

Veterinary Diagnostic Services User Fees

User fees to reimburse APHIS for the costs of providing veterinary diagnostic services are contained in 9 CFR part 130 (referred to below as the regulations). These user fees are authorized by section 2509(c) of the Food, Agriculture, Conservation and Trade Act of 1990, as amended (21 U.S.C. 136a), which provides that the Secretary of

Agriculture may, among other things, prescribe regulations and collect fees to recover the costs of veterinary diagnostics relating to the control and eradication of communicable disease of livestock or poultry within the United States.

In a final rule published in the **Federal Register** on May 6, 2004 (68 FR 25305–25312, Docket No. 00–024–2), and effective June 7, 2004, we established, for fiscal years 2004 through 2007 and beyond, user fees for certain veterinary diagnostic services, including certain diagnostic tests, reagents, and other veterinary diagnostic materials and services. Veterinary diagnostics is the work performed in a laboratory to determine if a disease-causing organism or chemical agent is present in body tissues or cells and, if so, to identify those organisms or agents. Services in this category include: (1) Performing identification, serology, and pathobiology tests and providing diagnostic reagents and other veterinary diagnostic materials and services at the National Veterinary Services Laboratories (NVSL) in Ames, IA; and

(2) performing laboratory tests and providing diagnostic reagents and other veterinary diagnostic materials and services at the NVSL Foreign Animal Disease Diagnostic Laboratory (NVSL FADDL) in Greenport, NY.

APHIS veterinary diagnostic user fees fall into six categories:

- (1) Laboratory tests, reagents, and other veterinary diagnostic services performed at NVSL FADDL;
- (2) Laboratory tests performed as part of isolation and identification testing at NVSL in Ames;
- (3) Laboratory tests performed as part of serology testing at NVSL in Ames;
- (4) Laboratory tests performed at the pathobiology laboratory at NVSL in Ames;
- (5) Diagnostic reagents produced at NVSL in Ames or other authorized sites; and

Agricultural Quarantine and Inspection Services User Fees

User fees to reimburse APHIS for the costs of providing inspections of certain commercial conveyances are found in 7 CFR part 354 (referred to below as the regulations). These user fees are authorized by Section 2509(a) of the Food, Agriculture, Conservation, and Trade Act of 1990 (21 U.S.C. 136a),

which authorizes APHIS to collect user fees for agricultural quarantine and inspection (AQI) services.

In a final rule published in the **Federal Register** on December 9, 2004 (69 FR 71660–71683, Docket No. 04–042–1), and effective January 1, 2005, we established, for fiscal years 2005 through 2010 and beyond, user fees for each of the types of conveyances or persons to whom AQI services are

provided, *i.e.*, commercial vessels (watercraft), commercial trucks, commercial railroad cars, commercial aircraft, and international airline passengers. The regulations provide specific information regarding the applicability of, and exceptions to, AQI user fees. As specified in 7 CFR 354.3, the user fees for these AQI services for fiscal year 2006 are as follows:

Service	Unit	Amount
Inspection of commercial vessels of 100 net tons or more (see 7 CFR 354.3(b))	Per entry ¹ ..	\$488.00

Inspection of international aircraft passengers (see 7 CFR 354.3(f))	Per entry	5.00

¹ Not to exceed 15 payments in a calendar year (*i.e.*, no additional fee will be charged for a 16th or subsequent arrival in a calendar year).

² A prepaid AQI permit valid for 1 calendar year may be obtained for an amount 20 times the AQI user fee for each arrival (\$105.00 from October 1, 2005 through September 30, 2005).

³ The AQI user fee may be prepaid for all arrivals of a commercial railroad car during a calendar year for an amount 20 times the AQI user fee for each arrival (\$150.00 from October 1, 2005 through September 30, 2006).

DEPARTMENT OF AGRICULTURE

Forest Service

Black-Tailed Prairie Dog Conservation and Management Nebraska National Forest, and Oglala National Grassland—Nebraska Buffalo Gap, and Fort Pierre National Grasslands—SD

AGENCY: USDA Forest Service.

ACTION: Notice of decision.

On August 3, 2005, Donald J. Bright (Responsible Official), Forest Supervisor of the Nebraska National Forest and Associated Units, signed the Record of Decision (ROD) to implement Alternative 3 of the Black-tailed Prairie Dog Conservation and Management Environmental Impact Statement (EIS).

In summary, Alternative 3 provides for maintaining sufficient prairie dog colonies to ensure population viability for prairie dogs and other species dependent upon the prairie dog ecosystem, including the endangered black-footed ferret. At the same time, it redeems the responsibility of the Forest Service to act as a good neighbor and reduce the effects of land management decisions on adjoining landowners.

This alternative prescribes an adaptive management concept using a full suite of tools, including expanded rodenticide use and vegetation management, through livestock grazing coordination, to manage and reduce selected prairie dog colonies along national grassland property boundaries. The purpose of this action is to reduce or eliminate unwanted movement to, and colonization of, private and tribal lands by black-tailed prairie dogs originating on the adjacent national grasslands listed above.

The Record of Decision are available at the Nebraska National Forest Web site at <http://www.fs.fed.us/r2/nebraska/projects>. It is also available on CD at the Nebraska National Forest Supervisor's Office at 125 N. Main St., Chadron, NE 69337, or by calling (308) 432-0300.

Individuals or organizations submitting substantive comments during the comment period (36 CFR 215.6) are eligible to appeal the decision pursuant to 26 CFR part 215 (**Federal Register**—June 4, 2003) or 26 CFR 251 subpart C (FR—January 23, 1989), but not both. Appeals, including attachments, must be filed with the Appeal Deciding Officer within 45 days following the date of publication of the legal notice in the official newspapers of record, Rapid City Journal, Rapid City, South Dakota and the Omaha World Herald, Omaha, Nebraska for Nebraska National Forest Supervisor decisions in South Dakota and Nebraska respectively. The legal notice is the exclusive means for calculating the time to file an appeal. Those wishing to file an appeal should not rely upon dates or timeframe information provided by any other source. It is the responsibility of individuals wishing to file an appeal to

do so within the framework provided in the appropriate appeal regulations. These regulations may be found at the following Web site: <http://www.fs.fed.us/emc/applit/appeals.htm>.
