

additional relevant information regarding employee bonuses and recalculated the G&A expenses of Ta Chen to include bonuses to both employees and directors/supervisors. The Department also reconsidered Ta Chen's U.S. indirect selling expenses and determined that there was no need to add financial interest expenses to Ta Chen's U.S. indirect selling expenses. Thus, the Department did not change Ta Chen's U.S. indirect selling expenses. As a result of the remand determination, the antidumping duty rate for Ta Chen was decreased from 6.11 to 6.10 percent. The CIT did not receive comments from either the Petitioners or Ta Chen.

On June 14, 2005, the CIT affirmed the Department's findings in the *Remand Results*. Specifically, the CIT affirmed the Department's recalculation of the G&A expenses for Ta Chen and the Department's decision not to add financial interest expenses to Ta Chen's U.S. indirect selling expenses. See *Alloy Piping II*.

On July 1, 2005, consistent with the decision of the United States Court of Appeals for the Federal Circuit ("Federal Circuit") in *Timken Co. v. United States*, 893 F. 2d 337 (Fed. Cir. 1990) ("*Timken*"), the Department notified the public that the CIT's decision was "not in harmony" with the *Final Results*. See *Notice of Court Decision and Suspension of Liquidation: Certain Stainless Steel Butt-Weld Pipe Fittings from Taiwan*, 70 FR 126 (July 1, 2005) ("*Timken Notice*"). No party has appealed the CIT's decision. As there is now a final and conclusive court decision in this action, we are amending our final results of review and we will instruct CBP to liquidate entries subject to this review.

Amended Final Results

Because no further appeals have been filed and there is now a final and conclusive decision in the court proceeding, we are amending the final results of administrative review of the antidumping order on certain stainless steel butt-weld pipe fittings from Taiwan for the period June 1, 1999, through May 31, 2000. The revised weight-averaged dumping margin are as follows:

Company	Margin (percent)
Ta Chen	6.10

The Department will issue appraisal instructions directly to the CBP. The Department will instruct CBP to liquidate relevant entries covering the subject merchandise
