H. Eligible Programs of the Office of the Special Trustee for American Indians (OST)

The Department of the Interior has responsibility for what may be the largest land trust in the world, approximately 56 million acres. OST oversees the management of these trust assets as well as maintains, invests, disburses, and reports to individual Indians and tribes on financial asset transactions generated from leasing and other commercial activities on these lands. The mission of the OST is to serve Indian communities by fulfilling Indian fiduciary trust responsibilities. This is to be accomplished through the implementation of a Comprehensive Trust Management Plan (CTM) that is designed to improve trust beneficiary services, ownership information, management of trust fund assets, and self-governance activities.

A tribe operating under self-governance may include the following programs, services, functions, and activities or portions thereof in a funding agreement:

1. Financial Trust Services (Individual Indian Monies Financial Services)
2. Appraisal Services

Responsibilities for the operation of these programs have been shifted from BIA to OST. Tribes/Consortia that currently perform these programs under a Self-Governance funding agreement with the Indian Affairs, may negotiate a separate Memorandum of Understanding (MOU) with OST that outlines the roles and responsibilities for management of these programs. The MOU between the Tribe/Consortium and OST outlines the roles and responsibilities for the performance of the OST program by the Tribe/Consortium. If those roles and responsibilities are already fully articulated in the existing Self-Governance funding agreement, an MOU is not required. To the extent that any necessary elements are missing from the funding agreement, however, an MOU will be negotiated between the Tribe/Consortium and OST.

Other Self-Governance Tribes/Consortia that do not perform these programs may be eligible to enter into a self-governance funding agreement with OST. In such cases, the Tribe/Consortium would negotiate a funding agreement with OST and the funding would come from OST program dollars. These funding agreements would stipulate the roles and responsibilities of the Tribe/Consortium and OST and no separate MOU would be necessary.

For questions regarding self-governance, contact Carrie Moore, Director, Office of External Affairs, Office of the Special Trustee for American Indians (MS-5140 MIB), 1849 C Street NW., Washington, DC 20240-0001, phone: (202) 208-4866, fax: (202) 208-7545.

IV. Programmatic Targets

During Fiscal Year 2006, upon request of a self-governance tribe, each non-BIA bureau will negotiate funding agreements for its eligible programs beyond those already negotiated.

SUPPLEMENTARY INFORMATION: The CCNM RMP provides direction for managing the approximate 1000 acres of offshore rocks, small islands, exposed reefs, and pinnacles that comprise the Monument. The Monument was established by Presidential Proclamation No. 7264 on January 11, 2000, under the authority of the Antiquities Act of 1906. The Monument lies within the jurisdiction of 15 California counties and five BLM field offices, and at least 25% of the coastal portion of the mainland adjacent to the Monument is contained within the California State Parks System. Planning for the Monument officially began with a **Federal Register** notice on April 24, 2002 initiating scoping. The California Department of Fish and Game, the California Department of Parks and Recreation, the United States Air Force, and the Cher-Ae Heights Indian Community of the Trinidad Rancheria, a federally recognized tribe, are cooperating agencies in the development of this RMP. BLM sought public and governmental participation in the development of this RMP and will continue to pursue partnerships in the management of the Monument. Because of the unique nature of the CCNM, many governmental entities have jurisdiction over resources immediately adjacent to the monument and are integrally important to meeting the goals and objectives for the Monument, as established in the RMP.

State Director.
