

comments. Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act, the Department will issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their comments, within 120 days of publication of the preliminary results. The assessment of antidumping duties on entries of merchandise covered by this review and future deposits of estimated duties shall be based on the final results of this review.

Assessment Rates

Upon completion of this administrative review, pursuant to 19 CFR 351.212(b), the Department will calculate an assessment rate on all appropriate entries. We will calculate importer-specific duty assessment rates on the basis of the ratio of the total amount of antidumping duties calculated for the examined sales to the total volume of the examined sales for that importer. However, to ensure proper assessment, the Department has adjusted the total volume of the examined sales for CATACO as outlined in the *CATACO Analysis Memo*. Where the assessment rate is above *de minimis*, we will instruct CBP to assess duties on all entries of subject merchandise by that importer. We will instruct CBP to take into account the "provisional measures cap" in accordance with 19 CFR 351.212(d).

Cash-Deposit Requirements

The following cash-deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for each of the reviewed companies that received a separate rate in this review will be the rate listed in the final results of review (except that if the rate for a particular company is *de minimis*, i.e., less than 0.5 percent, no cash deposit will be required for that company); (2) for previously investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers

or exporters (including Phan Quan) will continue to be the "Vietnam-wide" rate of 63.88 percent, which was established in the LTFV investigation. These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

Notification to Interested Parties

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

We are issuing and publishing this determination in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: August 31, 2005.

Barbara E. Tillman,

Acting Assistant Secretary for Import Administration.

Glycine From the People's Republic of China: Notice of Amended Final Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

SUMMARY: The Department of Commerce ("the Department") is amending the final results of the administrative review of the antidumping duty order on glycine from the People's Republic of China ("PRC") to reflect the correction of a ministerial error in the final results. The period of review ("POR") is March 1, 2003, through February 29, 2004.

EFFECTIVE DATE: September 13, 2005.

FOR FURTHER INFORMATION CONTACT: Carrie Blozy at (202) 482-5403; AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

Background

On August 12, 2005, the Department published the final results of its administrative review of the antidumping duty order on glycine from PRC. See *Glycine From the People's Republic of China: Final Results of Antidumping Duty Administrative Review*, 70 FR 47176 (August 12, 2005) (*Final Results*). On August 12, 2005, the respondent, Baoding Mantong Fine Chemistry Co., Ltd. (Baoding Mantong), timely submitted comments alleging that the Department made a certain ministerial error in the *Final Results* by using an incorrect U.S. price. No rebuttal comments were filed.

Amended Final Results

After reviewing the ministerial error allegation, we have determined that the Department did make a clerical error in completing the *Final Results* by making an improper adjustment to U.S. price, and we have amended the *Final Results* accordingly. For a detailed discussion of the Department's analysis of the ministerial error allegation, see Ministerial Error Allegation Memorandum, dated concurrently with this notice.

Pursuant to section 751(h) of the Tariff Act of 1930, as amended ("the Act"), we have amended the *Final Results* by correcting the ministerial error regarding U.S. price. We will issue amended cash-deposit instructions to U.S. Customs and Border Protection to reflect the amendment of the final results of this review. Pursuant to these amended results, we revised the dumping margin as follows:

Manufacturer/exporter	Margin (percent)
Baoding Mantong Fine Chemistry Co., Ltd.	2.95

The amended final results of this administrative review and notice are in accordance with sections 751(a)(1), 751(h), and 777(i)(1) of the Act.

Dated: September 6, 2005.

Joseph A. Spetrini,

Acting Assistant Secretary for Import Administration.
