Science Advisory Board Staff Office; Notification of an Upcoming Science Advisory Board Meeting

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The EPA Science Advisory Board (SAB) Staff Office announces a public face-to-face meeting of the chartered SAB. The Board will (1) be briefed on strategic science issues facing EPA, (2) continue its planning for SAB activities, and (3) it may review and approve of one or more draft SAB Committee reports.

DATES: September 28, 2005. A public meeting of the Board will be held from 9 a.m. to 5 p.m. (Eastern Time) on September 28, 2005.

ADDRESSES: The September 28, 2005 meeting of the Board will be held in the U.S. EPA Science Advisory Board Conference Center, Third Floor, 1025 F Street, NW., Washington, DC 20004.

FOR FURTHER INFORMATION CONTACT: Members of the public who wish to

obtain further information regarding this meeting, or the SAB may contact Mr. Thomas O. Miller, Designated Federal Officer (DFO), U.S. EPA Science Advisory Board via phone (202-343-9982) or e-mail at miller.tom@epa.gov. The SAB Mailing address is: U.S. EPA, Science Advisory Board (1400F), 1200 Pennsylvania Avenue, NW., Washington, DC 20460. General information about the SAB, as well as any updates concerning the meeting announced in this notice—including any specific draft report(s) to be reviewed, will be posted on the SAB Web site at: <http://www.epa.gov/sab>.

SUPPLEMENTARY INFORMATION:

Background: (a) *EPA Science Issues and SAB Planning*—The SAB will receive briefings from senior Agency scientists on EPA's strategic science priorities. This will allow the Board to discuss with EPA, the Agency's response to the Board's advisory on the FY 2006 science budget and prepare the Board to plan its advisory interaction with EPA on the FY 2007 science budget. At this meeting, the Board will monitor its own activities in support of EPA's science programs for 2005 and continue its planning of its FY 2006 program.

(b) *Review of SAB Committee Draft Reports:* The Board may review one or more draft SAB panel or committee reports at this meeting. Information on any draft reports to be reviewed, as well as the draft reports, will be on the SAB Web site at: <http://www.epa.gov/sab/drrep.htm> prior to the meeting.

Availability of Review Material for the Board Meeting: A final roster of the Board, the meeting agenda, and any appropriate background documents in support of this meeting will be posted on the SAB Staff Office Web site (<http://www.epa.gov/sab>) prior to the meeting.

Procedures for Providing Public Comment: The Science Advisory Board Staff Office accepts written public comments, and will accommodate oral public comments whenever possible, on issues before the SAB. Requests to provide oral comments at the September 28, 2005 meeting must be made in writing (e-mail, fax or mail) and received by Mr. Miller no later than September 23, 2005. *Oral Comments:* Each individual or group requesting an oral presentation at this face-to-face meeting will be limited to no more than ten minutes per speaker or organization. Speakers should bring at least 75 copies of their comments and presentation slides for distribution to the participants and the public at this meeting. *Written Comments:* Written comments should be received in the SAB staff office so

that the comments may be made available to the Board for their consideration. Comments should be supplied to the DFO at the address noted above in the following formats: one hard copy with original signature, and one electronic copy via e-mail [acceptable file format: Adobe Acrobat, WordPerfect, Word, or Rich Text files (in IBM-PC/Windows 2000/98 format)].

Meeting Accommodations:

Individuals requiring special accommodation at this meeting, including wheelchair access to the conference room, should contact Mr. Miller at the phone number or e-mail address noted above at least five business days prior to the meeting so that appropriate arrangements can be made.

Dated: September 7, 2005.

Anthony Maciorowski,

Associate Director for Science, EPA Science Advisory Board Staff Office.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

This action is directed to the public in general, and may be of interest to a wide range of stakeholders including environmental, human health, and agricultural advocates; the chemical industry; pesticide users; and members of the public interested in the sale, distribution, or use of pesticides. Since others also may be interested, the Agency has not attempted to describe all the specific entities that may be affected by this action. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

B. How Can I Get Copies of this Document and Other Related Information?

1. *Docket.* EPA has established an official public docket for this action under docket ID number OPP-2005-0162. The official public docket consists of the documents specifically referenced in this action, any public comments received, and other information related to this action. Although a part of the official docket, the public docket does not include Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. The official public docket is the collection of materials that is available for public viewing at the Public Information and Records Integrity Branch (PIRIB), Rm.119, Crystal Mall #2, 1801 S. Bell St., Arlington, VA. This docket facility is open from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The docket telephone number is (703) 305-5805.

2. *Electronic access.* You may access this **Federal Register** document electronically through the EPA Internet under the "**Federal Register**" listings at <http://www.epa.gov/fedrgstr/>.

An electronic version of the public docket is available through EPA's electronic public docket and comment system, EPA Dockets. You may use EPA Dockets at <http://www.epa.gov/edocket/> to submit or view public comments, access the index listing of the contents of the official public docket, and to access those documents in the public docket that are available electronically.

Once in the system, select "search," then key in the appropriate docket ID number.

Certain types of information will not be placed in the EPA Dockets. Information claimed as CBI and other information whose disclosure is restricted by statute, which is not included in the official public docket, will not be available for public viewing in EPA's electronic public docket. EPA's policy is that copyrighted material will not be placed in EPA's electronic public docket but will be available only in printed, paper form in the official public docket. To the extent feasible, publicly available docket materials will be made available in EPA's electronic public docket. When a document is selected from the index list in EPA Dockets, the system will identify whether the document is available for viewing in EPA's electronic public docket. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Unit I.B.1. EPA intends to work towards providing electronic access to all of the publicly available docket materials through EPA's electronic public docket.

For public commenters, it is important to note that EPA's policy is that public comments, whether submitted electronically or in paper, will be made available for public viewing in EPA's electronic public docket as EPA receives them and without change, unless the comment contains copyrighted material, CBI, or other information whose disclosure is restricted by statute. When EPA identifies a comment containing copyrighted material, EPA will provide a reference to that material in the version of the comment that is placed in EPA's electronic public docket. The entire printed comment, including the copyrighted material, will be available in the public docket.

Public comments submitted on computer disks that are mailed or delivered to the docket will be transferred to EPA's electronic public docket. Public comments that are mailed or delivered to the docket will be scanned and placed in EPA's electronic public docket. Where practical, physical objects will be photographed, and the photograph will be placed in EPA's electronic public docket along with a brief description written by the docket staff.

C. How and to Whom Do I Submit Comments?

You may submit comments electronically, by mail, or through hand
