SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-52397; File No. SR-NSCC-2005-12]

Self-Regulatory Organizations; National Securities Clearing Corporation; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Modify Automated Customer Account Transfer Service Rules and Procedures

September 8, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on August 23, 2005, the National Securities Clearing Corporation ("NSCC") filed with the Securities and Exchange Commission ("Commission") the rule change described in Items I, II, and III below, which items have been prepared primarily by NSCC. The Commission is publishing this notice to solicit comments on the rule change from interested parties.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The rule change modifies NSCC's Automated Customer Account Transfer Service ("ACATS") Rules and Procedures by eliminating the provision that allows delivering members to initiate the transfer of a custody redelivery position purchased by the delivering member for the benefit of a customer's account to a receiving member.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NSCC included statements concerning the purpose of and basis for the rule change and discussed any comments it received on the rule change. The text of these statements may be examined at the places specified in Item IV below. NSCC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.²

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

NSCC's ACATS enables members to transfer accounts of their customers between themselves on an automated basis. Currently, NSCC's Rule 50 provides that delivering members may, among other things, initiate the transfer of a custody redelivery position purchased by a delivering member for the benefit of a customer's account to a receiving member. While other features of delivering member initiated partial account transfers are utilized by members, this custody redelivery function is substantially unused. Accordingly, NSCC is deleting this function and removing reference to it from Rule 50.

NSCC believes the rule change is consistent with the requirements of Section 17A of the Act³ and the rules and regulations thereunder applicable to NSCC because it eliminates a substantially unused feature of ACATS and as such, NSCC believes it is a change to an existing service that will not adversely affect the safeguarding of securities and funds in NSCC's custody or control and will not significantly affect the respective rights or obligations of NSCC or its participants.

(B) Self-Regulatory Organization's Statement on Burden on Competition

NSCC does not believe that the rule change will have an impact or impose any burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments relating to the rule change have not yet been solicited or received. NSCC will notify the Commission of any written comments received by NSCC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective upon filing pursuant to Section 19(b)(3)(A) of the Act⁴ and Rule 19b-4(f)⁵ thereunder because it does not significantly affect the respective rights or obligations of the clearing agency or persons using the service and does not adversely affect the safeguarding of securities or funds in the custody or control of NSCC or for which it is responsible. At any time within sixty days of the filing of the rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the rule change is consistent with the Act. Comments may be submitted by any of the following methods:

subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-52391; File No. SR-NYSE-2004-47]

Self-Regulatory Organizations; New York Stock Exchange, Inc.; Order Approving Proposed Rule Change and Amendment No. 1 Thereto To Amend Rule 352 Concerning Guarantees and Sharing in Accounts

September 7, 2005.

I. Introduction

On August 14, 2004, the New York Stock Exchange, Inc. ("NYSE" or the "Exchange") filed with the Securities and Exchange Commission ("SEC" or the "Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Exchange Act")¹ and Rule

19b-4 thereunder,² a proposed rule relating to amendments to Rule 352 concerning guarantees and sharing in accounts. On July 6, 2005, the Exchange filed Amendment No. 1 to its proposed rule change. The proposed rule change, as amended, was published for comment in the **Federal Register** on August 5, 2005.³ The Commission received no comments on the proposal. This order approves the proposed rule change, as amended.

II. Description of the Proposed Rule Change*Background*

Rule 352 (the "Rule") generally prohibits members, member organizations, and specified associated persons of such from entering into arrangements that guarantee the payment of a debit balance in any customer account; guarantee a customer against loss; or establish a profit and/or loss-sharing agreement with a customer. The amendments proposed herein expand the Rule to include specific limitations on loan arrangements between personnel associated with a member organization in any registered capacity on the one hand, and customers on the other. In addition, the amendments integrate the Rule's Interpretation into the proposed Rule text, and otherwise clarify both the Rule's scope and purpose.

Loan Arrangements Between Registered Personnel and Customers

The Exchange does not currently have a rule that specifically addresses the issue of loan arrangements between member organization personnel and customers; however, the Exchange believes that such arrangements, given their inherent potential for conflict of interest and abuse, are generally not a good business practice. Bearing this concern in mind, it is recognized that there are certain situations when such loans may be appropriate. Accordingly, proposed paragraphs (e) and (f) to Rule 352 would limit loan arrangements, between persons associated with a member organization in any registered capacity and customers, to certain prescribed situations. As outlined in detail below, proposed Rule 352(e) requires written supervisory procedures that would limit loan arrangements between registered member organization personnel and customers of the member organization to those arising either in the context of a prescribed personal or business relationship outside of the
