#### Honey from the People's Republic of China: Extension of Time Limit for Preliminary Results of 2003/2004 New Shipper Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** September 20, 2005.

**FOR FURTHER INFORMATION CONTACT:** Anya Naschak at (202) 482-6375; AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230.

**SUPPLEMENTARY INFORMATION:**

**Background**

On December 10, 2001, the Department published in the **Federal Register** an antidumping duty order covering honey from the PRC. See *Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order; Honey from the People's Republic of China*, 66 FR 63670 (December 10, 2001). On

December 22, 2004, the Department received a timely request from Kunshan Xin'an Trade Co., Ltd. ("Xinan") in accordance with 19 CFR 351.214 (c), for a new shipper review of the antidumping duty order on honey from the PRC, which has a December annual anniversary month. On January 31, 2005, the Department initiated a review for Xinan. See *Honey from the People's Republic of China: Initiation of New Shipper Antidumping Duty Review*, 70 FR 6412 (February 7, 2005) ("NSR Xinan Initiation")

On July 14, 2005, the Department extended the time limit for issuance of the preliminary results of this review by 45 days. See *Honey from the People's Republic of China: Extension of Time Limit for Preliminary Results of 2003/2004 New Shipper Review*, 70 FR 42033 (July 21, 2005). On August 10, 2005, the Department issued a memorandum that stated the Department's intent to rescind this new shipper review because of the non-*bona fide* nature of Xinan's sales transaction. See Memorandum From James C. Doyle, Director, Office 9, to Barbara E. Tillman, Acting Deputy Assistant Secretary for Import Administration: *Bona Fide* Analysis for Kunshan Xin'an Trade Co., Ltd.'s Sale in the New Shipper Review of Honey from the People's Republic of China, dated August 10, 2005. We received comments on our intent to rescind this new shipper review from Xinan on August 25, 2005. We received rebuttal comments from the American Honey Producers and the Sioux Honey Association (collectively, "petitioners") on August 31, 2005. The deadline for completion of the preliminary results is currently September 13, 2005.

#### Extension of Time Limits for Preliminary Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(i)(1) require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated and final results of a review within 90 days after the date on which the preliminary results were issued. The Department may, however, extend the deadline for completion of the preliminary results of a new shipper review to 300 days if it determines that the case is extraordinarily complicated (19 CFR 351.214 (i)(2)).

Pursuant to section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214 (i)(2), we determine that this review is extraordinarily complicated and that it is not practicable to complete this new shipper review within the current time

limit. Specifically, the Department requires additional time to analyze the comments received by parties on the Department's *bona fides* analysis. Accordingly, the Department is extending the time limit for the completion of the preliminary results by 20 days, to October 3, 2005, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2).

This notice is issued and published in accordance with section 751(a)(3)(A) of the Act.

Dated: September 13, 2005.

#### Silicon Metal from Brazil: Notice of Court Decision and Suspension of Liquidation

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** On August 26, 2005, in *Elkem Metals Company and Globe Metallurgical Inc. v. United States*, Slip Op. 05-109 (*Elkem Metals III*), the Court of International Trade (CIT) affirmed the Final Results of Redetermination Pursuant to Remand (*Remand Results II*) released by the Department of Commerce (the Department), on March 16, 2005. Consistent with the decision of the U.S. Court of Appeals for the Federal Circuit (CAFC) in *Timken Co. v. United States*, 893 F.2d 337 (Fed. Cir. 1990) (*Timken*), the Department will continue to order the suspension of liquidation of the subject merchandise, where appropriate, until there is a "conclusive" decision in this case. If the case is not appealed, or if it is affirmed on appeal, the Department will instruct U.S. Customs and Border Protection (CBP) to liquidate all relevant entries from Rima Industrial, S.A. (Rima), as appropriate.

**EFFECTIVE DATE:** September 20, 2005.

**FOR FURTHER INFORMATION CONTACT:** Maisha Cryor, AD/CVD Enforcement, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue, NW, Washington, DC 20230, telephone 202-482-5831, fax 202-482-5105.

**SUPPLEMENTARY INFORMATION:**

## Background

On February 12, 2002, the Department published in the **Federal Register** a notice of final results of the antidumping duty administrative review on silicon metal from Brazil. See *Silicon Metal From Brazil: Final Results of Antidumping Duty Administrative Review*, 67 FR 6488 (February 12, 2002) (*Final Results*). Following publication of the Final Results, Elkem Metals Company and Globe Metallurgical Inc. (collectively petitioners), filed a lawsuit with the CIT challenging the Department's findings in the Final Results, regarding the calculation of Rima's constructed value (CV). In *Elkem Metals Company and Globe Metallurgical Inc. v. United States*, No. 02-00232, (CIT February 25, 2004) (*Elkem Metals I*), the CIT remanded this matter to the Department for it to recalculate Rima's CV to include certain value-added taxes (VAT). In its Final Results of Redetermination Pursuant to Court Remand (*Remand Results I*), filed on June 8, 2004, in response to *Elkem Metals I*, the Department determined that such VAT were not incurred by Rima and therefore did not constitute a material cost for purposes of calculating CV. Consequently, in *Remand Results I*, the Department found that no adjustment was necessary to Rima's CV. In *Elkem Metals Company and Globe Metallurgical Inc. v. United States*, 350 F. Supp 2d 1270 (CIT 2004) (*Elkem Metals II*), the CIT once again instructed the Department to include VAT paid by Rima in the re-calculation of CV and to make any necessary adjustments to the dumping margin.

The Draft Results of Redetermination Pursuant to Court Remand (*Draft Remand Results II*) were released to parties on January 24, 2005. The Department received comments from interested parties on the *Draft Remand Results II* on January 24, 2005, and rebuttal comments on February 4, 2005. On March 16, 2005, the Department responded to the CIT's Order of Remand by filing the *Remand Results II*. In *Remand Results II*, pursuant to the CIT's order, the Department included VAT paid by Rima in the re-calculation of CV.

As a result of the remand determination, the antidumping duty rate for Rima was increased from 0.35 percent to 0.48 percent. The CIT did not receive comments from either petitioners or Rima.

On August 26, 2005, the CIT affirmed the Department's findings in *Remand Results II*. Specifically, the CIT upheld the Department's inclusion of VAT in Rima's CV. See *Elkem Metals III*.

The only revision made to the *Final Results* was the inclusion of VAT in the calculation of Rima's CV, as noted above. This revision resulted in a change in Rima's margin. However, Rima continues to have a *de minimis* margin, as it had in the *Final Results*.

## Suspension of Liquidation

The CAFC, in *Timken*, held that the Department must publish notice of a decision of the CIT or the CAFC which is not "in harmony" with the Department's final determination or results. Publication of this notice fulfills that obligation. The CAFC also held that the Department must suspend liquidation of the subject merchandise until there is a "conclusive" decision in the case. Therefore, pursuant to *Timken*, the Department must continue to suspend liquidation pending the expiration of the period to appeal the CIT's August 26, 2005, decision, or, if that decision is appealed, pending a final decision by the CAFC. The Department will instruct CBP to revise cash deposit rates, as appropriate, and to liquidate relevant entries covering the subject merchandise effective September 20, 2005, in the event that the CIT's ruling is not appealed, or if appealed and upheld by the CAFC.

Dated: September 14, 2005.
