SUPPLEMENTARY INFORMATION: The items of discussion in the committee's agenda are as follows:

Wednesday, October 5, 2005

The committee will meet to continue development of Framework Adjustment 42 to the Northeast Multispecies Fishery Management Plan. The Committee will review the results of recent groundfish assessments and will consider changes to management measures that may be necessary to achieve Amendment 13 mortality objectives. These changes may include, but are not limited to, changes in days-at-sea, closed areas, possession limits, or gear requirements. Changes may be considered to the regulations for both commercial and recreational vessels. The committee will consider a report from the Groundfish Plan Development Team when developing these alternatives. The Committee's decisions will be forwarded to the Council at a future meeting.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.
