### Administration on Aging

#### Agency Information Collection Activities; Submission for OMB Review; Comment Request; State Annual Long-Term Care Ombudsman Report and Instructions

**AGENCY:** Administration on Aging, HHS.

**ACTION:** Notice.

**SUMMARY:** The Administration on Aging (AoA) is announcing that the proposed collection of information listed below has been submitted to the Office of Management and Budget (OMB) for review and clearance under the Paperwork Reduction Act of 1995.

**DATES:** Submit written comments on the collection of information by October 24, 2005.

**ADDRESSES:** Submit written comments on the collection of information by fax 202.395.6974 or by mail to the Office of Information and Regulatory Affairs, OMB, New Executive Office Bldg., 725 17th St. NW., rm. 10235, Washington, DC 20503, Attn: Brenda Aguilar, Desk Officer for AoA.

**FOR FURTHER INFORMATION CONTACT:** Sue Wheaton, telephone: (202) 357-3587; e-mail: [sue.wheaton@aoa.gov](mailto:sue.wheaton@aoa.gov).

**SUPPLEMENTARY INFORMATION:** In compliance with 44 U.S.C. 3507, AoA has submitted the following proposed collection of information to OMB for review and clearance.

To comply with this requirement, AoA is publishing notice of the proposed collection of information set forth in this document. With respect to the following collection of information, AoA invites comments on: (1) Whether the proposed collection of information is necessary for the proper performance of AoA's functions, including whether the information will have practical utility; (2) the accuracy of AoA's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques when appropriate, and other forms of information technology.

The reporting system, the National Ombudsman Reporting System (NORS), was developed in response to the needs and directives pertaining to the Long Term Care Ombudsman Program and approved by the Office of Management

and Budget for use in FY 1995-96 and extended with slight modifications for use in FY 1997-2001 and again for FY 2002-2006.

This request is to continue the use of the existing information collection, State Annual Long-Term Care Ombudsman Report (and Instructions), from state ombudsmen programs under Older Americans Act Titles III and VII. The information also serves as input for work with the Centers for Medicare and Medicaid Services and others on major long-term care issues, planning, training, technical assistance for ombudsmen programs and policy development. We are finalizing our work with the states and local ombudsmen on recommendations which revise and update the form and instructions for use beginning in FY 2007; they are to be available for public comment in the near future.

The reporting form would retain the following elements: a profile of the cases, complainants and complaints by type of facility; action taken on the complaints; a summary of long-term care issues; a detailed profile of the program and its activities, including the number and type of facilities licensed and operating in the state (and the number beds this represents); the staffing and funding of local programs; and an overview of other ombudsman activities (including: training, technical assistance, consultation to organizations and individuals, resident visitation, community education, etc.)

AoA estimates the burden of this collection of information as follows: Approximately 10 minutes per case, per respondent, for a total annual hour burden of 10,258 hours, with 52 State Agencies on Aging responding annually.

Dated: September 20, 2005.

**Josefina G. Carbonell,**

*Assistant Secretary for Aging.*
