BILLING CODE 5001-06-M

DEPARTMENT OF ENERGY**DEPARTMENT OF THE INTERIOR**

Notice of Intent To Prepare a Programmatic Environmental Impact Statement, Amend Relevant Agency Land Use Plans, Conduct Public Scoping Meetings, and Notice of Floodplain and Wetlands Involvement

AGENCIES: Office of Electricity Delivery and Energy Reliability, Department of Energy (DOE) and the Bureau of Land Management (BLM), Department of the Interior (DOI).

ACTION: Notice of intent to prepare a programmatic environmental impact statement, amend relevant agency land use plans, conduct public scoping meetings, and notice of floodplain and wetlands involvement.

SUMMARY: Section 368 of the Energy Policy Act of 2005 (the Act), Public Law 109-58 (H.R. 6), enacted August 8, 2005, directs the Secretaries of Agriculture, Commerce, Defense, Energy, and the Interior (the Agencies) to designate under their respective authorities corridors on Federal land in the 11 Western States for oil, gas and hydrogen pipelines and electricity transmission and distribution facilities (energy corridors). The Agencies have determined that designating corridors as required by Section 368 of the Act constitutes a major Federal action which may have a significant impact upon the environment within the meaning of the National Environmental Policy Act of 1969 (NEPA). For this reason, the Agencies intend to prepare a programmatic environmental impact statement (PEIS) entitled, "Designation of Energy Corridors on Federal Land in the 11 Western States" (DOE/EIS-0386) to address the environmental impacts from the proposed action and the range of reasonable alternatives. DOE and BLM will be co-lead agencies for this effort, with the Department of Agriculture's Forest Service (FS) participating as a cooperating agency.

The purpose of this Notice of Intent is to inform the public about the proposed action, announce plans to conduct 11 public scoping meetings, invite public participation in the scoping process, and solicit public comments for consideration in establishing the scope and content of the PEIS. Because the proposed action

may involve actions in a floodplain or wetland, the draft PEIS will include a floodplain and wetlands assessment and the final PEIS or Record of Decision will include a floodplain statement of findings.

The Agencies will prepare the PEIS in accordance with NEPA, the Council on Environmental Quality (CEQ) regulations, 40 CFR 1500-1508, DOE's regulations developed pursuant to NEPA, 10 CFR 1021, BLM's planning regulations 43 CFR 1600 and applicable FS planning regulations to amend land use plans.

DATES: The Agencies invite interested agencies, states, organizations, Native American tribes, and members of the public to submit comments or suggestions to assist in identifying significant environmental issues and in determining the scope of this PEIS. The public scoping period starts with the publication of this notice in the **Federal Register** and will continue until November 28, 2005. Written and oral comments will be given equal weight, and the Agencies will consider all comments received or postmarked by November 28, 2005 in defining the scope of this PEIS. Comments received or postmarked after that date will be considered to the extent practicable.

Dates for the public scoping meetings are:

1. October 25, 2005, Denver, Colorado
2. October 26, 2005, Albuquerque, New Mexico
3. October 26, 2005, Salt Lake City, Utah
4. October 27, 2005, Cheyenne, Wyoming
5. October 27, 2005, Helena, Montana
6. November 1, 2005, Boise, Idaho
7. November 1, 2005, Sacramento, California
8. November 2, 2005, Las Vegas, Nevada
9. November 2, 2005, Portland, Oregon
10. November 3, 2005, Phoenix, Arizona
11. November 3, 2005, Seattle, Washington

The Agencies will announce the times and locations of the public meetings through the local media, newsletters, and the project Web site (<http://corridoreis.anl.gov>) at least 15 days prior to the meeting.

Requests to speak at a public scoping meeting(s) should be received by Julia Souder at the addresses indicated below on or before October 18, 2005. Requests to speak may also be made at the time of registration for the scoping meeting(s). However, persons who submitted advance requests to speak will be given priority if time should be limited during the meetings.

ADDRESSES: Comments or suggestions on the scope of the PEIS and requests to
