

Description of the need for the information and proposed use: Section 542 of the Housing and Development Act of 1992 directs HUD to implement risk sharing with State and local housing finance agencies (HFAs). Under this program, HUD provides full mortgage insurance on multifamily housing projects whose loans are underwritten, processed, and serviced by HFAs. The HFAs will reimburse HUD a certain percentage of any loss under an insured loan depending upon the level of risk the HFA contracts to assume.

The Department requires information collection of loan origination, loan closing, loan management, and servicing in accordance with 24 CFR 266 and HUD Handbook 4590.01. This information must be available to the Department to assess HFA compliance with program regulations and guidelines.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The number of respondents is 808, the frequency of responses is annually, semi-annually, and on occasion, for a total of 3,554 total annual responses. The estimated time to prepare collection varies from 30 minutes to 35 hours, for total annual burden hours of 11,804.

Status of the proposed information collection: This is a reinstatement, with change, of a previously approved collection for which approval was discontinued.
