

sites considered for the MPRS were on undeveloped land on the NAU Centennial Forest and adjacent to existing development at The Arboretum at Flagstaff. It is expected that construction will be completed in May of 2006.

A Draft Environmental Assessment (EA) has been prepared that analyzes the potential environmental effects of this proposed action. From the information contained in the Draft EA, the NSF is prepared to find that no significant environmental effects will result from construction of the Merriam-Powell Research Station on the preferred site at the Arboretum at Flagstaff.
