

plastic cover and provides pen or pencil storage. Both ends of the spiral wire are cut and then bent backwards to overlap with the previous coil but specifically outside the coil diameter but inside the polyester covering. During construction, the polyester covering is sewn to the front and rear covers face to face (outside to outside) so that when the book is closed, the stitching is concealed from the outside. Both free ends (the ends not sewn to the cover and back) are stitched with a turned edge construction. The flexible polyester material forms a covering over the spiral wire to protect it and provide a comfortable grip on the product. The product must bear the valid trademarks FiveStar® Advance™.⁶

• FiveStar Flex™: A notebook, a notebook organizer, or binder with plastic polyolefin front and rear covers joined by 300 denier polyester spine cover extending the entire length of the spine and bound by a 3-ring plastic fixture. The polyolefin plastic covers are of a specific thickness; front cover is .019 inches (within normal manufacturing tolerances) and rear cover is .028 inches (within normal manufacturing tolerances). During construction, the polyester covering is sewn to the front cover face to face (outside to outside) so that when the book is closed, the stitching is concealed from the outside. During construction, the polyester cover is sewn to the back cover with the outside of the polyester spine cover to the inside back cover. Both free ends (the ends not sewn to the cover and back) are stitched with a turned edge construction. Each ring within the fixture is comprised of a flexible strap portion that snaps into a stationary post which forms a closed binding ring. The ring fixture is riveted with six metal rivets and sewn to the back plastic cover and is specifically positioned on the outside back cover. The product must bear the valid trademark FiveStar Flex™.⁷

Advanced Technology Program Advisory Committee

AGENCY: National Institute of Standards and Technology, Department of Commerce.

ACTION: Notice of partially closed meeting.

SUMMARY: Pursuant to the Federal Advisory Committee Act, 5 U.S.C. app. 2, notice is hereby given that the Advanced Technology Program Advisory Committee, National Institute of Standards and Technology (NIST), will meet Tuesday, November 1, 2005 from 9 a.m. to 4 p.m. The Advanced Technology Program Advisory Committee is composed of ten members appointed by the Director of NIST; who are eminent in such fields as business, research, new product development, engineering, education, and management consulting. The purpose of this meeting is to review and make recommendations regarding general policy for the Advanced Technology Program (ATP), its organization, its budget, and its programs within the framework of applicable national policies as set forth by the President and the Congress. The agenda will include presentations on American Competitiveness and the U.S. Electronics Sector, Nanotechnology, the Current State of Aquaculture and International Economic Challenges. A discussion scheduled to begin at 2 p.m. and to end at 4 p.m. on November 1, 2005, on ATP budget issues will be closed. Agenda may change to accommodate Committee business. All visitors to the National Institute of Standards and Technology site will have to pre-register to be admitted. Please submit your name, time of arrival, e-mail address and phone number to Donna Paul no later than Friday, October 28, and she will provide you with instructions for admittance. Ms. Paul's e-mail address is donna.paul@nist.gov and her phone number is 301/975-2162.

DATES: The meeting will convene Tuesday, November 1, at 9 a.m. and will adjourn at 4 p.m. on Tuesday, November 1, 2005.

ADDRESSES: The meeting will be held at the National Institute of Standards and Technology, Administration Building, Employees' Lounge, Gaithersburg, Maryland 20899. Please note admittance instructions under **SUMMARY** paragraph.

FOR FURTHER INFORMATION CONTACT: Donna Paul, National Institute of Standards and Technology, Gaithersburg, Maryland 20899-4700, telephone number (301) 975-2162.

SUPPLEMENTARY INFORMATION: The Assistant Secretary for Administration, with the concurrence of the General Counsel, formally determined on December 27, 2004, that portions of the meeting of the Advanced Technology Program Advisory Committee which involve discussion of proposed funding of the Advanced Technology Program may be closed in accordance with 5 U.S.C. 552b(c)(9)(B), because that portion will divulge matters the premature disclosure of which would be likely to significantly frustrate implementation of proposed agency actions.

Dated: October 3, 2005.

National Oceanic and Atmospheric Administration

Notice of Availability of Draft Environmental Impact Statement (DEIS), Notice of Public Comment Period for the DEIS and Schedule of Public Hearings for the National Oceanic and Atmospheric Administration's Office of Ocean and Coastal Resource Management's Review of Amendments to the Alaska Coastal Management Program

AGENCY: Department of Commerce (DOC), National Oceanic and Atmospheric Administration (NOAA), Office of Ocean and Coastal Resource Management (OCRM).

ACTION: Notice of Availability of DEIS, Notice of Public Comment Period for the DEIS and Schedule of Public Hearings.

SUMMARY: NOAA's Office of Ocean and Coastal Resource Management is issuing this notice to advise the public that a DEIS for OCRM's review of amendments to the Alaska Coastal Management Program has been prepared and is available for public review and comment. Written requests for the DEIS and written comments on the DEIS can be submitted to the individual listed in

the section **FOR FURTHER INFORMATION CONTACT**. Public hearings will be held on October 31, 2005 and November 1, 2005. The public comment period commenced on September 23, 2005 and will close on November 7, 2005.

Public Comment Hearings: The start of the public comment period on the DEIS was September 23, 2005, and will end on November 7, 2005. Two public hearings will be held; one on October 31, 2005 and one on November 1, 2005, in Juneau and Anchorage, Alaska, respectively. The public hearing on Monday, October 31, 2005 will be held in Juneau, Alaska at the Centennial Hall Convention Center, Egan Room, (101 Egan Drive) and will begin at 10 a.m. and last until 3 p.m. The public hearing on Tuesday, November 1, 2005 will be held in Anchorage, Alaska at the Hotel Captain Cook (939 West Fifth Avenue) and will begin at 1 p.m. and last until 6 p.m.

DEIS Availability and Review

Copies of the DEIS are available either on CD or hard copy by contacting Helen Bass at the **FOR FURTHER INFORMATION CONTACT** section below. In addition, the DEIS has been posted on OCRM's Web site at <http://coastalmanagement.noaa.gov/pcd/up.html> and the Alaska Coastal Management Program's Web site at <http://www.alaskacoast.state.ak.us>.

Comments from interested parties on the DEIS are encouraged and may be presented orally at the public hearings. Written comments may be submitted to OCRM during the public hearings and at the address (including e-mail address) listed in the section entitled **FOR FURTHER INFORMATION CONTACT**.

OCRMs encourages all interested parties to provide comments concerning the scope and content of the DEIS. Comments should be as specific as possible and address the analysis of potential of alternatives. Reviewers should organize their comments so that it is meaningful and makes the agency aware of the viewer's interests and concerns using quotations and other specific references to the text of the DEIS and related documents. Matters that could have been raised with specificity during the comment period on the DEIS may not be considered if they are raised later in the decision process. This commenting procedure is intended to ensure that substantive comments and concerns are made available to OCRM in a timely manner so that OCRM has an opportunity to address them.

SUPPLEMENTARY INFORMATION: The DEIS discloses the environmental consequences associated with OCRM's

review of amendments to the State of Alaska's federally-approved coastal management program (CMP). OCRM's approval of Alaska's request to incorporate changes into the Alaska CMP would allow the State to continue its certification as a federally-approved CMP, receive Coastal Zone Management Act (CZMA) funds to implement the revised program, and conduct State and federal consistency reviews based on the revised program policy. Incorporation of Alaska's new laws and regulations and one Executive Order into its program will result in the following changes:

- Eliminate the Alaska CMP Coastal Policy Council and transfer of its functions to the Alaska Department of Natural Resources;
- Replace current statewide coastal standards with new standards, along with mandated revisions for all district plans to achieve new standards and meet new policy development requirements;
- Assure that matters regulated or authorized by State or federal law are not duplicated by coastal or district enforceable policies, and that district plans address matters specific to local concern;
- Exempt certain activities from the coastal consistency review process through coverage under the State's ABC list review or Department of Environmental Conservation review; and
- Limit the parties who have standing to file legal claims challenging Alaska CMP consistency decisions.

The proposed review will be completed, and OCRM's decision finalized by December 31, 2005. Depending on the alternative implemented, there may be positive socio-economic benefits associated with a more efficient permitting process, negative impacts to subsistence resources due to changes in Alaska's coastal standards and procedures for district plan development, or long-term negative environmental and socio-economic impacts associated with Alaska's withdrawal from the federal CZMA program.

The purpose and need for OCRM's review of the amendments is reviewed in the DEIS. All reasonable, prudent and feasible alternatives are being considered, including the no-action alternative.
