

extended an additional 18 months if circumstances warrant, but may not exceed 3 years. CELCP has noted that several land acquisition projects funded in 2002 will not be completed by the end of fiscal year 2005. These awards were issued during the first year of the Program, prior to the issuance of the Final Guidelines in which the three-year limit was stipulated. For this reason, CELCP is amending the Final Guidelines for the Coastal and Estuarine Land Conservation Program to allow the financial assistance award period for awards issued in fiscal year 2002 to be extended for an additional two years. The maximum award duration for these grants is five years and will end on September 30, 2007.
