Alaska Fisheries Science Center in Seattle, Washington, provides the operational oversight of the program, certification training, definition of observer sampling duties and methods, debriefing of observers, and management of the data. Owners of vessels, shoreside processors, or stationary floating processors required to carry observers must arrange for observer services from an observer provider. The name of this collection is changed from "Observer Providers of the North Pacific" to read "NMFS Alaska Region Observer Providers."

DEPARTMENT OF COMMERCE

Submission for OMB Review; Comment Request

The Department of Commerce has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Agency: National Oceanic and Atmospheric Administration (NOAA).

Title: Knowledge, Attitudes, and Perceptions of Management Strategies and Regulations in the Florida Keys National Marine Sanctuary.

Form Number(s): None.

OMB Approval Number: None.

Type of Request: Regular submission.

Burden Hours: 490.

Number of Respondents: 245.

Average Hours Per Response: 2.

Needs and Uses: This is a ten-year replication of the Knowledge, Attitudes, and Perceptions of the management strategies and regulations of the Florida Keys National Marine Sanctuary (FKNMS) for three user groups; commercial fishermen, dive shop owners/operators, and members of local environmental groups. The original study was done in 1995-96 and was adopted as providing baselines for the Socioeconomic Research and Monitoring Program for the FKNMS. Since 1995-96 much has happened, so the study will also provide new baselines for new management strategies and regulations. The most important management strategies and regulations assessed in both the baseline and replication are those related to the special zones created in the FKNMS, especially the no-take areas. The information is important to support the "adaptive management" process in the FKNMS and to support education and outreach efforts.

Affected Public: Business or other for-profit organizations; individuals or households.

Frequency: One time only.

Respondent's Obligation: Voluntary.

OMB Desk Officer: David Rostker, (202) 395-3897.
