**FOR FURTHER INFORMATION CONTACT:** Tod M. Henby, Commission Security and Safety Officer, Security and Safety Office, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, (202) 502-6030.

#### SUPPLEMENTARY INFORMATION:

##### I. Report on the New System

###### A. Background

The Privacy Act of 1974, 5 U.S.C. 552a, requires that each agency publish a notice of the existence and character of each new or altered "system of records." 5 U.S.C. 552a(a)(5). This Notice identifies and describes the Commission's new system of records. A copy of this report has been distributed to the Speaker of the House of Representatives and the President of the Senate as the Act requires.

The Commission has adopted a new system of records under the Privacy Act of 1974. This system does not duplicate any existing agency system. The notice includes for the system of records the name; location; categories of individuals on whom the records are maintained; categories of records in the system; authority for maintenance of the system; each routine use; the policies and practices governing storage, retrievability, access controls, retention and disposal; the title and business address of the agency official responsible for the system of records; procedures for notification, access and contesting the records of each system; and the sources for the records in the system. 5 U.S.C. 552(a)(4).
