EPA to transition RLF grants to discounted loans

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice of the availability.

**SUMMARY:** Pursuant to an October 17, 2005 Memorandum signed by Thomas P. Dunne, Acting Assistant Administrator of EPA’s Office of Solid Waste and Emergency Response, Brownfields Revolving Loan Fund (RLF) grantees may provide discounted loans in certain situations. RLF grants are awarded to eligible entities provided in section 104(k)(1) of the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), to capitalize RLF’s for brownfields cleanup. RLF grantees can use their EPA grant funds for loans and subgrants, as well as other eligible activities.

The Office of Solid Waste and Emergency Response provides this policy in response to interest by RLF grantees awarded under CERCLA section 104(k) in issuing discounted loans as part of their RLF programs. Such loans were provided for in earlier policies that applied to Brownfields Cleanup Revolving Loan Fund (BCRLF) grants awarded under CERCLA section 104(d). BCRLF grants were awarded starting FY1997 to FY2002, prior to the passage of the Small Business Liability Relief and Brownfields Revitalization Act (Brownfields Law). Several BCRLF grantees made discounted loans under CERCLA section 104(d) policies, thereby achieving cleanup goals. However, with the signing of the Brownfields Law, new RLF grants, awarded under 104(k) from FY2003 forward, were left with no provision for the use of discounted loans. This policy meets this need, giving RLF grantees additional options to achieve cleanup goals, in keeping with prudent lending practices.

**FOR FURTHER INFORMATION CONTACT:** Call Alison Evans at the U.S. EPA’s Office of Solid Waste and Emergency Response, Office of Brownfields Cleanup and Redevelopment, (202) 566-2777.

**SUPPLEMENTARY INFORMATION:** This policy supersedes all previous memorandums and/or policies that address this practice for these grantees. It applies to:

- RLF grants awarded under CERCLA section 104(k).
- BCRLF grants originally awarded under CERCLA section 104(d) that have transitioned to section 104(k) as provided in section 104(k)(3)(D), and,
- BCRLF grants awarded under CERCLA section 104(d) that have not transitioned.

RLF grantees may offer discounted loans (also called “principal forgiveness”) under the following conditions:

**I. Borrowers for Discounted Loans**

RLF grantees may offer discounted loans to those entities provided in CERCLA section 104(k)(1) including states, political subdivisions, and others, as well as nonprofit organizations. Private, for-profit entities are not eligible for discounted loans.

**II. Conditions for Individual Discounted Loans**

For an individual loan, the amount of principal forgiven may be up to 30 percent, provided that the total amount of the principal forgiven shall not exceed $200,000. For example, a loan of $600,000 may be discounted at 30 percent, resulting in $180,000 in principal forgiven. However, a loan of $800,000, could only be discounted at 25 percent, resulting in $200,000 in principal forgiven (any discount above 25 percent, in this case, would result in more than $200,000 in principal forgiven, which is not provided for under this policy). In addition to these terms, a discounted loan may not be used in combination with a subgrant at a single site.

**III. Conditions for RLF Grant Management When Discounted Loans Are Employed**

For an RLF grant budget as a whole, the total dollar amount of principal forgiven through discounted loans plus the amount subgranted shall not exceed a total of 40% of RLF grant funds awarded.

**Background**

Eligibility for brownfields assessment and revolving loan fund grants is limited to “eligible entities” as defined in section 104(k)(1) of CERCLA. These include a General Purpose Unit of Local Government; Land Clearance Authority or other quasi-governmental entity that operates under the supervision and control of, or as an agent of, a general purpose unit of local government; Governmental Entity Created by State Legislature; Regional council or group of general purpose units of local government; Redevelopment Agency that is chartered or otherwise sanctioned by a state; State; Indian Tribe other than in Alaska; and Alaska Native Regional Corporation, Alaska Native Village Corporation, and Metlakatla Indian Community. Eligibility for brownfields cleanup grants is limited to “eligible entities” and nonprofits.

In addition, Intertribal Consortia, other than those composed of ineligible Alaskan tribes, are eligible to apply for the brownfields assessment, revolving loan fund, and cleanup grants.

Coalitions of eligible governmental
entities are eligible to apply for the brownfields revolving loan fund grants, but only one member of the coalition may receive a cooperative agreement.
