Emergency Grant financial reporting requirements were developed to achieve compliance with the statute. Section 185(e) and (f) require that States report quarterly all program and activity costs by cost category and by year of appropriation, any income or profits earned, and any cost incurred such as stand-in costs that are otherwise allowable except for funding limitations. Sec. 185(g) requires that costs only be categorized as administrative or programmatic costs. The Regulations at 20 CFR 667.300 require that DOL issue financial reporting instructions to the States and other direct grant recipients. These financial reporting requirements represent the Department's only means for obtaining the statutorily required data. Software containing the required data elements has been provided to the grantees (with built-in edit checks) to enable electronic reporting via the Internet.
