OFFICE OF MANAGEMENT AND BUDGET

DEPARTMENT OF VETERANS AFFAIRS

Cost-Based and Interagency Billing Rates for Medical Care or Services Provided by the Department of Veterans Affairs

AGENCIES: Office of Management and Budget, Executive Office of the

President and the Department of Veterans Affairs.

ACTION: Notice.

SUMMARY: This document provides cost-based and interagency billing rates for medical care or services provided by the Department of Veterans Affairs (VA):

(a) In error or on tentative eligibility;
 (b) In a medical emergency;
 (c) To pensioners of allied nations;
 (d) For research purposes in circumstances under which VA medical care appropriation is to be reimbursed by VA research appropriation; and

(e) To beneficiaries of the Department of Defense or other Federal agencies, when the care or service provided is not covered by an applicable sharing agreement. The rates contained in this notice do not apply to sharing agreements between VA and Department of Defense unless otherwise stated.

In addition, until such time as charges for outpatient dental care and prescription drugs are implemented under the provisions of 38 CFR 17.101, the applicable cost-based billing rates provided in this notice will be used for collection or recovery by VA for outpatient dental care and prescription drugs provided under circumstances covered by that section.

This notice is issued jointly by the Office of Management and Budget and the Department of Veterans Affairs.

EFFECTIVE DATE: The rates set forth herein are effective November 3, 2005 and until further notice.

FOR FURTHER INFORMATION CONTACT: Romona Greene, Chief Business Office (168), Veterans Health Administration, Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420, (202) 254-0361. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: VA's medical regulations at 38 CFR 17.102(h) set forth a methodology for computing rates for medical care or services provided by VA:

(a) In error or on tentative eligibility;
 (b) In a medical emergency;
 (c) To pensioners of allied nations;
 (d) For research purposes in circumstances under which VA medical

care appropriation is to be reimbursed by VA research appropriation; and

(e) To beneficiaries of the Department of Defense or other Federal agencies, when the care or service provided is not covered by an applicable sharing agreement. The rates contained in this notice do not apply to sharing agreements between VA and Department of Defense unless otherwise stated.

Two sets of rates are obtained via application of this methodology: Cost-Based Rates, for use for purposes (a) through (d), above, and Interagency Rates, for use for purpose (e), above. Government employee retirement benefits and return on fixed assets are not included in the Interagency Rates, and the Interagency Rates are not broken down into three components (Physician; Ancillary; and Nursing, Room, and Board), but in all other respects the Interagency Rates are the same as the Cost-Based Rates.

When medical care or service is obtained at the expense of the Department of Veterans Affairs from a non-VA source under circumstances in which the Cost-Based or Interagency Rates would apply if the care or service had been provided by VA, then the charge for such care or service will be the actual amount paid by VA for that care or service.

Inpatient charges will be at the per diem rates shown for the type of bed section or discrete treatment unit providing the care. Prescription Filled charge in lieu of the Outpatient Visit rate will be charged when the patient receives no service other than the Pharmacy outpatient service. This charge applies whether the patient receives the prescription in person or by mail.

Current rates obtained via the above methodology are as follows:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-52686; File No. SR-Amex-2005-099]

Self-Regulatory Organizations; American Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change and Amendment Nos. 1 and 2 Thereto Relating to the Adoption of a Cap on Certain Fees for Options on Indexes, Exchange Traded Fund Shares, and Trust Issued Receipts

October 27, 2005.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 30, 2005, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. On October 17, 2005, the Exchange filed Amendment No. 1 to the proposed rule change.³ On October 21, 2005, the Exchange filed Amendment No. 2 to the proposed rule change.⁴ Amex has designated this proposal as one establishing or changing a due, fee, or other charge imposed by a self-regulatory organization pursuant to Section 19(b)(3)(A)(ii) of the Act⁵ and Rule 19b-4(f)(2) thereunder,⁶ which renders the proposal effective upon filing with the Commission. The

Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Amex proposes to adopt a cap on fees for transactions in options on indexes, Exchange Traded Fund Shares ("ETFs"), and Trust Issued Receipts ("TIRs"). The text of the proposed rule change is available on Amex's Web site (<http://www.amex.com>), at Amex's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, Amex included statements concerning the purpose of, and basis for, the proposed rule change, as amended, and discussed any comments it received on the proposal. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to put in place a cap on certain fees charged to members for customer transactions in options on indexes, ETFs, and TIRs that exceed certain volume levels.⁷ Specifically, the Exchange will provide a volume trade discount to members for customer transactions in the form of a cap on transaction, comparison, and floor brokerage fees in index, ETF, and TIR options. The fee cap will be applied on a trade-by-trade basis. Thus, for customer transactions in index, ETF, and TIR options of more than 2,000 contracts, the options transaction, comparison, and floor brokerage fees will be charged to the member on the first 2,000 contracts only. As the Exchange does not currently charge members the transaction, comparison,

or floor brokerage fees for customer transactions in options on the Nasdaq 100 Shares (symbol: QQQQ), the fee cap being proposed herein will not be extended to options on that ETF.

The purpose of this proposal is to help the Exchange remain competitive in these products by providing a large customer fee cap similar to those applied by other option exchanges to the trading of options on indexes, ETFs, and TIRs. The Exchange proposes that the fee cap proposed in this rule filing be effective on October 3, 2005.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act⁸ in general, and furthers the objectives of Section 6(b)(4) of the Act⁹ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and issuers and other persons using its facilities. In particular, the Exchange believes that, since other options exchanges have applied similar large customer fee caps to the trading of options on indexes, ETFs, and TIRs, the proposed customer fee cap will help the Exchange to remain competitive.

B. Self-Regulatory Organization's Statement on Burden on Competition

Amex does not believe that the proposed rule change will impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange did not solicit or receive any written comments with respect to the proposal.

II. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change, as amended, has been designated as a fee change pursuant to Section 19(b)(3)(A)(ii) of the Act¹⁰ and Rule 19b-4(f)(2)¹¹ thereunder. Accordingly, the proposal is effective upon filing with the Commission. At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise

³ In Amendment No. 1, the Exchange made clarifying changes to the purpose and statutory basis sections of the proposal and made non-substantive changes to the text of the proposed rule change.

⁴ In Amendment No. 2, the Exchange made clarifying changes to the purpose and statutory basis sections of the proposal and non-substantive changes to the statutory basis section and the text of the proposed rule change.

⁶ 17 CFR 240.19b-4(f)(2).

⁷ Effective September 1, 2005, the Exchange began charging members a fee on customer transactions in ETF and TIR options. The three types of fees—transaction (\$0.08), comparison (\$0.04), and floor brokerage (\$0.03)—result in a total fee on ETF and TIR options of \$0.15 per contract side.
