

Estimation of the total number of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The estimated total number of hours needed to prepare the information collection is 847, the number of respondents is 800 generating approximately 1,640 annual responses, the frequency of response is on occasion, and the estimated time needed to prepare the response varies from 5 to 30 minutes.

Status of the proposed information collection: This is a revision of a currently approved collection. This revision seeks to consolidate the currently approved information collection requirements of 2502-0424 (Pre-Authorization Debit (PAD) Request) and 2502-0098 (Borrower's Personal Financial Statement for Compromise/Settlement), because all the information collected is related to borrowers who owe money to HUD and HUD's attempts to collect that money.

Authority: The Paperwork Reduction Act of 1995, 44 U.S.C., Chapter 35, as amended.

Dated: October 28, 2005.

Frank L. Davis,

General Deputy Assistant Secretary for Housing-Deputy Federal Housing Commissioner.

BILLING CODE 4210-29-P

DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

Notice of Intent to Prepare a Supplemental Environmental Impact Statement for the Proposed Campo Solid Waste Landfill Facility on the Campo Indian Reservation, San Diego County, CA

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: This notice advises the public that the Bureau of Indian Affairs (BIA) as lead agency, with the Campo Band of Kumeyaay Indians (Campo Band) as a cooperating agency, intends to prepare a Supplemental Environmental Impact Statement (SEIS) for a proposed solid waste landfill facility to be located on the Campo Indian Reservation in San Diego County, California. The purpose of the proposed action is to provide economic support for tribal self-sufficiency and self-government and to address the socio-economic needs of the Campo Band.

DATES: Written comments on this notice must arrive by December 9, 2005.

ADDRESSES: You may mail or hand carry written comments to Clay Gregory, Regional Director, Pacific Regional Office, Bureau of Indian Affairs, 2800 Cottage Way, Sacramento, California 95825. Please include your name, return address and the caption, "SEIS, Campo Solid Waste Landfill Facility Proposal," on the first page of your written comments.

FOR FURTHER INFORMATION CONTACT: John Rydzik, (916) 978-6042.

SUPPLEMENTARY INFORMATION: The proposed action is to approve a lease and sublease to allow a 1,150 acre portion of the Campo Indian Reservation to be used for the construction and operation of a solid waste landfill facility. The solid waste landfill facility would require approximately 600 acres of the 1,150 acre lease area. The remaining 550 acres of lease area that surround the proposed facility would be preserved as an

undeveloped buffer area. The Campo Indian Reservation, which consists of 15,580 acres in southeastern San Diego County, lies just north of the United States/Mexico border and approximately 45 miles inland from the Pacific Ocean.

The Campo Band previously entered into a lease agreement with Muht-Hei, Inc. (MHI), pursuant to which MHI would lease a portion of the Campo Indian Reservation for the purpose of constructing and operating a solid waste landfill, recycling facility, and composting facility. The Campo Band originally authorized MHI in 1989 to enter into a sublease with Mid-American Waste Systems, Inc. (MAWS) for the development of the solid waste landfill facility. The Campo Band requested the BIA approve the lease and sublease for the proposed project. An Environmental Impact Statement (EIS) was prepared by BIA, in accordance with the requirements of the National Environmental Policy Act, to evaluate the environmental impacts of the proposed project prior to determining whether the proposed lease related to the project should be approved. A Final EIS (FEIS) was released on November 24, 1992. The BIA issued a Record of Decision (ROD) with conditions on April 27, 1993, and approved the lease between the Campo Band and MHI and sublease between MHI and MAWS for the proposed solid waste landfill. The Campo Environmental Protection Agency (CEPA) issued a final Authority to Construct Permit (ATC) to MHI and MAWS on April 5, 1994, to construct the proposed solid waste landfill, subject to the conditions of the ROD and ATC.

Subsequently, MAWS failed to proceed with construction of the project and MHI was found in default of the sublease terms. Since that time, MHI has solicited interest from other solid waste landfill developers. In early 2003, MHI began negotiations with BLT Enterprises, Inc. (BLT), Oxnard, California, on the terms of a sublease to develop the solid waste landfill described in the FEIS. Those negotiations were successfully concluded and on December 12, 2004, the Campo Band authorized MHI to enter into a sublease with BLT.

The BIA has decided to prepare a SEIS to address changes in the proposed action, relevant information that has become available, or circumstances that have changed over the years since the FEIS was issued. Areas of concern addressed in the FEIS included land resources, water resources, air quality, living resources, cultural resources, socio-economics, transportation, land

use, resource use patterns, noise and other values. The FEIS included five alternatives to the proposed action, as follows: (1) Alternative Site One, (2) Alternative Site Two, (3) Reduced Waste Stream at the Proposed Site, (4) Reduced Area of Disturbance at the Proposed Site, and (5) No Action. The SEIS will incorporate the proposed project description from the FEIS by reference, and will discuss aspects of the project that have changed since the FEIS was released in 1992, any changes in environmental impacts associated with those changes, and changes to alternatives.

Public Comment Availability

Comments, including names and addresses of respondents, will be available for public review at the BIA address shown in the **ADDRESSES** section, during business hours, 8 a.m. to 4:30 p.m., Monday through Friday, except holidays. Individual respondents may request confidentiality. If you wish us to withhold your name and/or address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your written comment. Such requests will be honored to the extent allowed by the law. We will not, however, consider anonymous comments. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public inspection in their entirety.

Authority

This notice is published in accordance with sections 1503.1, 1506.6 and 1508.22 of the Council on Environmental Quality Regulations (40 CFR Parts 1500 through 1508) implementing the procedural requirements of the National Environmental Policy Act of 1969, as amended (42 U.S.C. 4321 *et seq.*), Department of the Interior Manual (516 DM 1–6), and is in the exercise of authority delegated to the Principal Deputy Assistant Secretary—Indian Affairs by 209 DM 8.1.

Dated: October 24, 2005.

Michael D. Olsen,

Acting Principal Deputy Assistant Secretary—Indian Affairs.

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[ID–300–1020–PH]

Notice of Public Meeting, Idaho Falls District Resource Advisory Council Meeting

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of public meeting.

SUMMARY: In accordance with the Federal Land Policy and Management Act (FLPMA) and the Federal Advisory Committee Act of 1972 (FACA), the U.S. Department of the Interior, Bureau of Land Management (BLM) Idaho Falls District Resource Advisory Council (RAC), will meet as indicated below.

DATES: The meeting will be held November 29–30, 2005 at the Hampton Inn, 2500 Channing Way, Idaho Falls, Idaho 83404. The meeting will start at 1 p.m. November 29, with an orientation session for new members. This first day will be information only, and no decisions will be made. The second day, November 30, will be for the full Advisory Council, and the public comment period as the first agenda item, starting at 8 a.m. The meeting will adjourn at or before 3 p.m. At this meeting, the Advisory Council will set its agenda for the coming year, schedule meetings, and discuss current issues before the BLM Idaho Falls District.

SUPPLEMENTARY INFORMATION: The 15-member Council advises the Secretary of the Interior, through the Bureau of Land Management, on a variety of planning and management issues associated with public land management in the BLM Idaho Falls District (IFD), which covers eastern Idaho. At this meeting, topics we plan to discuss include:

- Orientation for new members.
- A discussion of recreational upgrades to the Blackfoot Reservoir campground and the need to set fees. RAC members will be asked for their input as to an appropriate range of fees for the site, in preparation for a broader public outreach campaign in December and January.
- Updates on Idaho's Sage Grouse Conservation strategy, if completed and released for public review.
- A field trip to the Cress Creek Trail, *weather permitting*. If remaining indoors, the discussion will also include a brief update on the Upper Snake Field Office South Fork Activity Plan revision.
- Updates on the latest litigation for BLM, and other current issues as appropriate.
