Rule 30b1-5, SEC File No. 270-520, OMB Control No. 3235-0577.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) ("Act") the U.S. Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for extension of the previously approved collection of information discussed below.

The title for the collection of information is "Rule 30b1-5 under the Investment Company Act of 1940, Quarterly Filing of Schedule of Portfolio Holdings of Registered Management Investment Companies."

Rule 30b1-5 under the Investment Company Act of 1940 requires registered management investment companies, other than small business investment companies registered on Form N-5, to file a quarterly report via the Commission's EDGAR system on Form N-Q, not more than sixty calendar days after the close of each first and third fiscal quarter, containing their complete portfolio holdings.

The Commission estimates that there are 9,850 management investment companies and series that are governed by the rule. The Commission estimates that the annual burden associated with the rule is 1 hour per affected investment company or series. The total burden hours for rule 30b1-5 is 9,850 per year in the aggregate (9,850 responses × 1 hour per response). Estimates of average burden hours are made solely for the purposes of the Act, and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

The collection of information under rule 30b1-5 is mandatory. The information provided under rule 30b1-5 is not kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

[Release No. 34-52733; File No. 81-934]

**Notice of an Application of Global  
Industries, Ltd. Under Section 12(h) of  
the Securities Exchange Act of 1934**

November 4, 2005.

The Securities and Exchange Commission gives notice that Global Industries, Ltd. has filed an application under Section 12(h) of the Securities Exchange Act of 1934, as amended. Global Industries asks the Commission to extend the due date for Global Industries's Form 10-Q for the quarter ended September 30, 2005 to November 29, 2005. Global Industries states that its principal executive offices are located in Carlyss, Louisiana, which is within one of the Presidentially Declared Disaster Areas for both Hurricane Katrina and Hurricane Rita. In its application, Global Industries asserts that an extension of the due date for Global Industries's Form 10-Q for the quarter ended September 30, 2005 is necessary due to, among other things, the mandatory evacuations and the extraordinary disruptions to Global Industries's facilities, personnel, and information technology resources caused by Hurricane Rita.
