DEPARTMENT OF STATE

[Public Notice 5173]

Request for Proposals: Program for Research and Training on Eastern Europe and the Independent States of the Former Soviet Union (Title VIII)

Summary: The Department of State invites organizations with substantial and wide-reaching experience in administering research and training programs to serve as intermediaries conducting nationwide competitive programs for scholars, students and institutions pertaining to advanced research and language training on the countries of Southeast Europe and Eurasia. U.S.-based public and private nonprofit organizations and educational institutions may submit proposals to carry out Title VIII-funded programs that (1) support and sustain American

expertise on the countries of Eurasia and Southeast Europe, (2) bring American expertise to the service of the U.S. Government, and (3) further U.S. foreign assistance goals. The grants will be awarded through an open, merit-based competition. The purpose of this request for proposals is to inform potential applicant organizations of programmatic, procedural and funding information for the fiscal year 2006 Title VIII grants competition.

We request that applicants read the entire **Federal Register** announcement before addressing inquiries to the Title VIII Program Office or submitting a proposal. This notice contains three parts. Part I addresses Shipment and Deadline for Proposals. Part II consists of a Statement of Purpose and Program Priorities. Part III provides Funding Information for the program.

Authority: Grantmaking authority for the Program for Research and Training on Eastern Europe and the Independent States of the Former Soviet Union (Title VIII) is contained in the Soviet-Eastern European Research and Training Act of 1983 (22 U.S.C. 4501-4508, as amended) and is funded through the FREEDOM Support Act (FSA) of 1992 and Support for East European Democracy (SEED) Act of 1989.

Part I

Shipping and Deadline for Proposals: Due to security procedures proposals must be sent via a nationally recognized overnight delivery service (e.g., DHL, Federal Express, UPS, Airborne Express, or USPS Express Mail, etc.) or hand-delivered. Proposals may not be sent by regular U.S. Mail.

Proposals must have a postmark or invoice dated by Wednesday, January 11, 2006 and must be received within seven (7) days after the deadline. Hand-delivered proposals must be submitted no later than 4 p.m. on January 11, 2006. Faxed proposals will not be accepted at any time. Late applications will not be considered. It is the applicant's responsibility to ensure that proposals are delivered on time.

Address proposals to: Susie Baker, Title VIII Program Officer, U.S. Department of State, INR/RES, Room 2251, 2201 C Street, NW., Washington, DC 20520-6510.

Applications Delivered by Hand: Hand-delivered proposals will be accepted between 9 a.m. and 4 p.m. EST daily, except Saturdays, Sundays and Federal holidays. Proposals must be brought to the State Department's 21st Street entrance, just north of the intersection with C Street, NW. Contact the Title VIII Program office at (202) 736-4572 or (202) 647-0243 to arrange a delivery time.

Part II

Program Information: In the Soviet-Eastern European Research and Training Act of 1983 (Title VIII), the Congress declared that independently verified factual knowledge about the countries of that area is "of utmost importance for the national security of the United States, for the furtherance of our national interests in the conduct of foreign relations, and for the prudent management of our domestic affairs." Congress also declared that the development and maintenance of such knowledge and expertise "depends upon the national capability for advanced research by highly trained and experienced specialists, available for service in and out of Government."

The Title VIII Program provides financial support for advanced research, graduate and language training and other related functions on the countries of the region. The program operates on a "pass-through" basis in that grantee organizations serve as intermediaries and conduct nationwide competitive programs to distribute grant funds to individual scholars, language students or universities. The program's goal is to support and sustain a cadre of U.S. experts by providing a full spectrum of financial assistance spanning the careers of scholars and students who have made, or are likely to make, a career commitment to the study of Southeast Europe and Eurasia. The Department of State's Title VIII Program Office brings this research and expertise to the service of the U.S. Government. The Title VIII Program also contributes to the overall objectives of the FREEDOM Support and SEED Acts through the Title VIII scholars' and students' participation in interactive educational and professional activities, volunteering, consulting, and other endeavors that further economic prosperity and mutual understanding in the region. The full purpose of the Title VIII Program and the eligibility requirements are set forth in Public Law 98-164, 97 Stat. 1047-50, as amended.

The following countries are eligible for funding under this request for proposals: Albania, Armenia, Azerbaijan, Belarus, Bosnia and Herzegovina, Bulgaria, Croatia, Republic of Macedonia, Georgia, Kazakhstan, Kyrgyzstan, Moldova, Romania, Russia, Serbia and Montenegro, Tajikistan, Turkmenistan, Ukraine and Uzbekistan. Travel to certain countries may be subject to restrictions due to unforeseen world events, Congressional restrictions, U.S. embassy requirements, or general security concerns.

The Act established an Advisory Committee to recommend grant policies
