

The SSA petitioner meets criterion 83.7(f), which requires that a petitioning group be comprised principally of persons who are not members of any acknowledged North American Indian tribe. The petitioner has indicated that a number of current members are not listed on the group's current membership list. Thus, this conclusion for criterion 83.7(f) does not apply to those individuals whose names were not submitted.

The SSA petitioner meets criterion 83.7(g) because there is no evidence in the record that the petitioner or its members have been explicitly terminated or forbidden a Federal relationship by an act of Congress.

Based on this preliminary factual determination, the Department proposes not to extend Federal Acknowledgment as an Indian Tribe under 25 CFR Part 83 to the petitioner known as the St. Francis/Sokoki Band of Abenakis of Vermont.

As provided by 25 CFR 83.1(h) of the regulations, a report summarizing the evidence, reasoning, and analyses that are the basis for the proposed decision will be provided to the petitioner and interested parties, and is available to other parties upon written request.

Comments on the proposed finding and/or requests for a copy of the report of evidence should be addressed to the Office of the Assistant Secretary—Indian Affairs, 1951 Constitution Avenue, NW., Washington, DC 20240, Attention: Office of Federal Acknowledgment, Mail Stop 34B–SIB.

Comments on the proposed finding should be submitted within 180 calendar days from the date of publication of this notice. The period for comment on a proposed finding may be extended for up to an additional 180 days at the AS–IA's discretion upon a finding of good cause (83.10(i)). Comments by interested and informed parties must be provided to the petitioner as well as to the Federal government (83.10(h)). After the close of the 180-day comment period, and any extensions, the petitioner has 60 calendar days to respond to third-party comments (83.10(k)). This period may be extended at the AS–IA's discretion, if warranted by the extent and nature of the comments.

After the expiration of the comment and response periods described above, the Department will consult with the petitioner concerning establishment of a schedule for preparation of the final determination. The AS–IA will publish the final determination of the petitioner's status in the **Federal Register** as provided in 25 CFR 83.10(1),

at a time that is consistent with that schedule.

Dated: November 9, 2005.

James E. Cason,

Associate Deputy Secretary.
