Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a-81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

Whereas, the Foreign-Trade Zones Act provides for “ * * * the establishment * * * of foreign-trade zones in ports of entry of the United States, to expedite and encourage foreign commerce, and for other purposes,” and authorizes the Foreign-Trade Zones Board to grant to qualified corporations the privilege of establishing foreign-trade zones in or adjacent to U.S. Customs ports of entry;

Carbon Steel Plate from Taiwan: Notice of Rescission of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: In response to a request from Nucor Corporation, a U.S. domestic producer of carbon steel plate, the Department of Commerce (the Department) initiated an administrative review of the antidumping duty order on carbon steel plate from Taiwan. *See Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 70 FR 42028 (July 21, 2005) (*Initiation Notice*). The period of review (POR) covered June 1, 2004 through May 31, 2005. We are now rescinding this review because there is no evidence the respondent had any reviewable U.S. transactions during the POR.

EFFECTIVE DATE: December 2, 2005.

FOR FURTHER INFORMATION CONTACT: Maryanne Burke or Robert James, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Room 7868, Washington, DC 20230; telephone (202) 482-5604 and (202) 482-0649, respectively.

SUPPLEMENTARY INFORMATION:

Background

The Department published an antidumping finding on carbon steel plate from Taiwan on June 13, 1979. *See Antidumping; Certain Carbon Steel Plate from Taiwan*, 44 FR 33877 (June 13, 1979). On June 1, 2005 the Department published a notice of “Opportunity to Request Administrative Review” of the antidumping duty order for the period of June 1, 2004 through May 31, 2005. *See Notice of Opportunity to Request Administrative*

Review of Antidumping or Countervailing Duty Order, Finding or Suspended Investigation, 70 FR 31422 (June 1, 2005). In accordance with 19 CFR 351.213(b)(1), on June 30, 2005 petitioner Nucor Corporation requested a review of this finding with respect to the manufacturer and/or exporter China Steel Corporation (China Steel). In response to this request, the Department published the initiation of the antidumping duty administrative review on carbon steel plate from Taiwan on July 21, 2005. *See Initiation Notice*.

On August 10, 2005, the Department issued an antidumping questionnaire to China Steel to which we did not receive a response. We subsequently issued a supplemental questionnaire on September 2, 2005 and China Steel submitted a brief response on September 16, 2005. On October 18, 2005 the Department requested further clarification and issued a second supplemental questionnaire and China Steel filed its response on October 28, 2005.

China Steel notified the Department that neither it nor any of its affiliates had any reviewable U.S. transactions during the POR. The Department obtained documentation from U.S. Customs and Border Protection (CBP) for specific entries to the United States of merchandise subject to this order. *See* November 1, 2005 memorandum from Maryanne Burke to the file entitled, “2004/2005 Administrative Review of Carbon Steel Plate from Taiwan: Release of Customs Documentation.” Also, CBP Headquarters issued a no shipments inquiry for carbon steel plate from Taiwan from China Steel. *See* CBP message no. 5258209 dated September 15, 2005 available at <http://adcdvd.cbp.gov/>. No information from these inquiries indicated that China Steel had reviewable U.S. transactions during the POR. Accordingly, we notified the petitioners that we intended to rescind this administrative review with respect to the respondent and they did not object.

Rescission of the Administrative Review

Pursuant to 19 CFR 351.213(d)(3), we are rescinding this review of the antidumping finding on carbon steel plate from Taiwan for the period June 1, 2004 through May 31, 2005. The Department will issue appropriate assessment instructions to CBP within 15 days of publication of this notice.

This notice serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information

disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

This notice is published in accordance with section 751(a) of the Tariff Act of 1930, as amended, and 19 CFR 351.213(d)(4).

Dated: November 28, 2005.

Deputy Assistant Secretary for Import Administration.

Certain Frozen Fish Fillets from the Socialist Republic of Vietnam: Extension of Time Limit for Final Results of the First Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: December 2, 2005.

FOR FURTHER INFORMATION CONTACT:

Irene Gorelik or Javier Barrientos, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-6905 and (202) 482-2243, respectively.

SUPPLEMENTARY INFORMATION:

Background

On September 13, 2005, the Department of Commerce ("the Department") published its notice of preliminary results for certain frozen fish fillets from the Socialist Republic of Vietnam. See *Certain Frozen Fish Fillets from the Socialist Republic of Vietnam: Preliminary Results and Preliminary Partial Rescission of Antidumping Duty Administrative Review*, 70 FR 54007 (September 13, 2005). From October 10, 2005, through October 14, 2005, the Department conducted a verification of questionnaire responses, sales, and cost data of Vinh Hoan Co., Ltd. ("Vinh Hoan") and Can Tho Agricultural and Animal Products Import Export Company ("CATACO"). The verification report for CATACO was issued on November 1, 2005. The verification report for Vinh Hoan was issued on

November 14, 2005. The final results are currently due on January 11, 2006.

Extension of Time Limit for Final Results

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall issue final results in an administrative review of an antidumping duty order 120 days after the date on which the preliminary results are published. The Act further provides, however, that the Department may extend that 120-day period to 180 days if it determines it is not practicable to complete the review within the foregoing time period. The Department finds that it is not practicable to complete the final results in the administrative review of certain frozen fish fillets from Vietnam within this time limit. Specifically, the Department needs additional time to consider the verification results and the resulting changes to the margin calculations. Additionally, the Department is extending the deadline for the final results to accommodate parties' public hearing request so parties may address all issues. Accordingly, the Department finds that additional time is required to complete these final results.

Section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations allow the Department to extend the deadline for the final results to a maximum of 180 days from the publication date of the preliminary results. For the reasons noted above, we are extending the time for the completion of the final results of this review by 60 days, until no later than March 13, 2006. This notice is published in accordance with section 751(a)(3)(A) of the Act and section 351.213(h)(2) of the Department's regulations.

Dated: November 29, 2005.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.
