That request may be found at http://www.wto.org contained in a document designated as WT/DS334/1. USTR invites written comments from the public concerning the issues raised in this dispute.

DATES: Although USTR will accept any comments received during the course of the consultations, comments should be submitted on or before January 1, 2006 to be assured of timely consideration by USTR.

FOR FURTHER INFORMATION CONTACT: Jeff Weiss, Assistant General Counsel, Office of the United States Trade Representative, 600 17th Street, NW., Washington, DC, (202) 395–4498.

SUPPLEMENTARY INFORMATION: Section 127(b) of the Uruguay Round Agreements Act (URAA) (19 U.S.C. 3537(b)(1)) requires that notice and opportunity for comment be provided after the United States submits or receives a request for the establishment of a WTO dispute settlement panel. In an effort to provide additional opportunity for comment, USTR is providing notice that consultations have been requested pursuant to the WTO Understanding on Rules and Procedures Governing the Settlement of Disputes (“DSU”). If such consultations should fail to resolve the matter and a dispute settlement panel is established pursuant to the DSU, such panel, which would hold its meetings in Geneva, Switzerland, would be expected to issue a report on its findings and recommendations within six to nine months after it is established.

Major Issues Raised by the United States

On November 2, 2005, the United States requested the establishment of a panel regarding Turkey’s import licensing regime and domestic purchase requirement on imports of rice. Those measures include:

• Decree No. 96/7794 related to the General Assessment of the Regime Regarding Technical Regulations and Standardization for Foreign Trade (Official Gazette, No. 22541, February 1, 1996, Repeated)

• Decision of the board of ministers: Decree No. 2004/7135 related to the implementation of a tariff quota for certain types of paddy rice and rice types imports (Official Gazette, No. 25439, April 20, 2004);

• A notification related to implementation of tariff quotas for certain types of paddy and rice imports, from the Foreign Trade Undersecretariat (Official Gazette, No. 25445, April 27, 2004);

• Decision of the board of ministers: Decree No. 2004/7333 related to the management of quota and tariff contingent on import (Official Gazette, No. 25473, May 26, 2004);

• A notification related to the implementation of a tariff contingent on the import of certain paddy rice and rice types, from the Foreign Trade Undersecretariat (Official Gazette, No. 25577, September 8, 2004);

• A notification on Standardization in Foreign Trade, Notification No. 2005/05 (Official Gazette, No. 25687, December 31, 2004);

• A notification about the amendment of the notification related to the implementation of a tariff contingent on the import of certain paddy rice and rice types, from the Foreign Trade Undersecretariat (Official Gazette, No. 25767, March 26, 2005);

• A notification about the amendment of the notification related to the implementation of a tariff contingent (customs duty) on the import of certain paddy rice and rice types, from the Foreign Trade Undersecretariat (Official Gazette, No. 25812, May 11, 2005);

• Decision of the board of ministers: Decree No. 2005/9315 related to the implementation of a tariff contingent on the import of certain types of paddy rice and rice types (Official Gazette, No. 25935, September 13, 2005);

• A notification related to the implementation of a tariff contingent on the import of certain paddy rice and rice types, from the Foreign Trade Undersecretariat (Official Gazette, No. 25943, September 21, 2005); and

• Any amendments or extensions to these measures, and any related or implementing measures.
Under Turkey’s import regime for rice, Turkey requires an import license to import rice. However, Turkey appears to fail to grant licenses to import rice at the bound rate of duty. In addition, Turkey operates a tariff-rate quota for rice imports requiring that in order to import specified quantities of rice at reduced tariff levels, importers must purchase specified quantities of domestic rice, including from the Turkish Grain Board (TMO), Turkish producers, or producer associations (“the domestic purchase requirement”). Turkey appears to administer the domestic purchase requirement through its import licensing regime.

USTR believes these measures are inconsistent with Turkey’s obligations under Article 2.1 and paragraph 1(a) of Annex 1 of the TRIMs Agreement; Articles III (including paragraphs 4, 5, and 7) and XI:1 of the GATT 1994; Article 4.2 of the Agriculture Agreement; and Articles 1.2, 1.3, 1.4, 1.5, 1.6, 2.2, 3.3, 3.5(a), 3.5(b), 3.5(d), 3.5(e), 3.5(f), 3.5(g), 3.5(h), 3.5(k), 5.1, 5.2, 5.3, and 5.4 of the Import Licensing Agreement.

Pursuant to section 127(e) of the URRA (19 U.S.C. 3537(e)), USTR will maintain a file on this dispute settlement proceeding, accessible to the public, in the USTR Reading Room, which is located at 1724 F Street, NW., Washington, DC 20508.
