

SUPPLEMENTARY INFORMATION: Maritime Administration (MARAD).

Title: Effective U.S. Control (EUSC)/ Parent Company.

OMB Control Number: 2133-0511.

Type of Request: Extension of currently approved collection.

Affected Public: U.S. citizens who own foreign-registered vessels.

Forms: None.

Abstract: The Effective U.S. Control (EUSC) Parent Company collection consists of an inventory of foreign-registered vessels owned by U.S. citizens. Specifically, the collection consists of responses from vessel owners verifying or correcting vessel ownership data and characteristics found in commercial publications. The information obtained could be vital in a national or international emergency, and is essential to the logistical support planning operations conducted by MARAD officials. The information is used in contingency planning and provides data related to potential sealift capacity to support movement of fuel and military equipment to crisis zones.

Annual Estimated Burden Hours: 40 hours.

ADDRESSES: Send comments to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725 17th Street Northwest, Washington, DC 20503, Attention MARAD Desk Officer.

Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology. A comment to OMB is best assured of having its full effect if OMB receives it within 30 days of publication.

Authority: 49 CFR 1.66.

Issued in Washington, DC, on December 16, 2005.

Joel C. Richard,

Secretary, Maritime Administration.

DEPARTMENT OF TRANSPORTATION**National Highway Traffic Safety Administration**

[U.S. DOT Docket Number NHTSA-2005-23383]

Reports, Forms, and Recordkeeping Requirements

AGENCY: National Highway Traffic Safety Administration (NHTSA), Department of Transportation.

ACTION: Request for public comment on proposed collection of information.

SUMMARY: Before a Federal agency can collect certain information from the public, it must receive approval from the Office of Management and Budget (OMB). Under procedures established by the Paperwork Reduction Act of 1995, before seeking OMB approval, Federal agencies must solicit public comment on proposed collections of information, including extensions and reinstatement of previously approved collections.

This document describes one collection of information for which NHTSA intends to seek OMB approval.

DATES: Comments must be received on or before February 21, 2006.

ADDRESSES: Comments must refer to the docket notice numbers cited at the beginning of this notice and be submitted to Docket Management, Room PL-401, 400 Seventh Street, SW., Washington, DC 20590. Please identify the proposed collection of information for which a comment is provided, by referencing its OMB Clearance Number. It is requested, but not required, that 2 copies of the comment be provided. The Docket Section is open on weekdays from 10 a.m. to 5 p.m.

FOR FURTHER INFORMATION CONTACT:

Complete copies of each request for collection of information may be obtained at no charge from Sean H. McLaurin, NHTSA, 400 Seventh Street, SW., Room 6124A, NPO-122, Washington, DC 20590. Mr. McLaurin's telephone number is (202) 366-4800. Please identify the relevant collection of information by referring to its OMB Control Number.

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995, before an agency submits a proposed collection of information to OMB for approval, it must first publish a document in the **Federal Register** providing a 60-day comment period and otherwise consult with members of the public and affected agencies concerning each proposed collection of information. The OMB has promulgated regulations

describing what must be included in such a document. Under OMB's regulation (at 5 CFR 1320.8(d)), an agency must ask for public comment on the following:

(i) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(ii) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(iii) how to enhance the quality, utility, and clarity of the information to be collected;

(iv) how to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

In compliance with these requirements, NHTSA asks for public comments on the following proposed collections of information:

Title: Extension of Clearance.

OMB Control Number: 2127-0001.

Affected Public: State, Local, or Tribal Government.

Form Number: This collection of information uses no standard form.

Abstract: The purpose of the NDR is to assist States and other authorized users in obtaining information about problem drivers. State motor vehicle agencies submit and use the information for driver licensing purposes. Other users obtain the information for transportation safety purposes.

Estimated Annual Burden: 2633.

Number of Respondents: 51 State driver licensing agencies, including the District of Columbia.

Comments are invited on: whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department's estimate of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

Issued on: December 14, 2005.
