The National Estuarine Research Reserve evaluations will be conducted pursuant to sections 312 and 315 of the CZMA and regulations at 15 CFR Part 921, Subpart E and Part 923, Subpart L. The CZMA requires continuing review of the performance of states with respect to coastal program implementation. Evaluation of Coastal Management Programs and National Estuarine Research Reserves requires findings concerning the extent to which a state has met the national objectives, adhered to its Coastal Management Program document or Reserve final management plan approved by the Secretary of Commerce, and adhered to the terms of financial assistance awards funded under the CZMA.

Each evaluation will include a site visit, consideration of public comments,

and consultations with interested Federal, state, and local agencies and members of the public. A public meeting will be held as part of the site visit. Notice is hereby given of the dates of the site visits for the listed evaluations, and the dates, local times, and locations of the public meeting during the site visits.

The public meeting will be held on Tuesday, February 14, 2006, at 5 p.m. at the Coastal Resource Management Office, First Floor Conference Room, Morgen Building, San Jose, Saipan.

Copies of states' most recent performance reports, as well as OCRM's evaluation notification and supplemental information request letters to the states, are available upon request from OCRM. Written comments from interested parties regarding these Programs are encouraged and will be accepted until 15 days after the public meeting held for a Program. Please

direct written comments to Ralph Cantral, Chief, National Policy and Evaluation Division, Office of Ocean and Coastal Resource Management, NOS/NOAA, 1305 East-West Highway, 10th Floor, N/ORM7, Silver Spring, Maryland 20910. When the evaluations are completed, OCRM will place a notice in the **Federal Register** announcing the availability of the Final Evaluation Findings.

Notice is hereby given of the availability of the final evaluation findings for the Hawaii and Louisiana Coastal Management Programs (CMPs); and the Great Bay (New Hampshire) and Hudson River (New York) National Estuarine Research Reserves (NERRs). Sections 312 and 315 of the Coastal Zone Management Act of 1972 (CZMA), as amended, require a continuing review of the performance of coastal states with respect to approval of CMPs and the operation and management of NERRs.

The states of Hawaii and Louisiana were found to be implementing and enforcing their federally approved coastal management programs, addressing the national coastal management objectives identified in CZMA Section 303(2)(A)–(K), and adhering to the programmatic terms of their financial assistance awards. The Great Bay (New Hampshire) and Hudson River (New York) NERRs were found to be adhering to programmatic requirements of the NERR System.
