- Applications received by Grants.gov are time and date stamped. Your application must be fully uploaded and submitted, and must be date/time stamped by the Grants.gov system no later than 4:30 p.m., Washington, DC, time, on the application deadline date. The Department will retrieve your application from Grants.gov and send you a second confirmation by e-mail that will include a PR/Award number (an ED-specified identifying number unique to your application).

• We may request that you provide us original signatures on forms at a later date.

Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System: If you are prevented from electronically submitting your

application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30 p.m., Washington, DC, time, the following business day to enable you to transmit your application electronically, or by hand delivery. We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30 p.m., Washington, DC, time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

V. Application Review Information

1. *Selection Criteria:* The selection criteria for this program are from 34 CFR 644.21 and are listed in the application package.

Note: Under the “Objectives” selection criterion, 34 CFR 644.21(b), applicants must address both outcome and process objectives that are related to each of the purposes of the EOC Program as described in 34 CFR 644.1. The application package for this program specifies the following four objectives related to the purposes of the EOC program: Increasing enrollment in continuing education programs, increasing applications for student financial aid, increasing applications for postsecondary education admissions, and increasing postsecondary education enrollment. The EOC Program Profile page in the application package details more specific information that applicants must submit regarding these four objectives. Applicants may, but are not required to, develop additional objectives for their project.

2. *Review and Selection Process:* The Secretary will select an application for funding in rank-order, based on the application’s total score for the selection criteria and prior experience, pursuant to 34 CFR 644.20 through 644.22. If there are insufficient funds for two or more applications with the same total scores, the Secretary will choose among

the tied applications so as to serve geographical areas and eligible populations that have been underserved by the EOC Program.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notice (GAN). We may also notify you informally.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditures information as specified by the Secretary in 34 CFR 75.118.

4. *Performance Measures:* The success of the EOC Program is measured by the EOC Program participants’ success in enrollment in continuing education programs, completion of applications for student financial aid, submission of applications for postsecondary admission, and postsecondary education enrollment. All EOC Program grantees will be required to submit an annual performance report.
