

**Division of Health Information
Technology State and Community
Assistance (RT3)**

Serves as the operational focal point for coordinating and advancing the adoption of health information technology across all of HRSA's programs, including, but not limited to, user networks, clinical management systems, and the use of electronic medical record systems. Ensures information dissemination to HRSA grantees and other consumers and providers about the latest developments in health care information technology, and the impact of health information technology on other activities designed to improve the health status of the Nation. The Division of Health Information Technology State and Community Assistance carries out the following functions: (1) Develops and coordinates health information technology (HIT) programs and policies; (2) Provides professional assistance and support in developing HIT initiatives among HRSA grantees; (3) Administers grant programs to promote and evaluate the use of appropriate HIT among grantees and others; (4) Advises HRSA grantees on strategies to maximize the potential of new and existing HIT technologies for meeting quality and technical assistance objectives; (5) Disseminates the latest information and research findings related to the use of HIT technologies in the agency programs and underserved areas, including findings on "best practices;" and (6) Provides guidance on HIT policy for safety net providers through the Associate Administrator for Health Information Technology to the Office of the National Health Information Technology Coordinator and the other components of the Department, with other Federal and State agencies and with the private sector to promote and overcome barriers to effective HIT programs.

*Section RT—30, Delegations of
Authority*

All delegations and redelegations of authorities to officers and employees of HRSA that were in effect immediately prior to the effective date of this action will be continued in effect in them or their successors, pending further redelegation, provided they are consistent with this action.

This document is effective upon date of signature.

Dated: December 14, 2005.

**West Mine Area, Freedom Mine Coal
Lease Application, North Dakota**

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of availability (NOA) of record of decision.

SUMMARY: The Bureau of Land Management (BLM) announces the availability of the Record of Decision (ROD) for the Environmental Impact Statement (EIS) for the West Mine Area, Freedom Mine Coal Lease Application. The EIS analyzed the potential impacts of leasing and mining federal coal on lands in Mercer County, North Dakota. BLM's decision was to approve the implementation of Alternative C, which analyzed the impacts of offering for competitive lease sale approximately 5,334 acres containing approximately 89 million tons of recoverable lignite coal. Alternative C incorporates a preservation component for Native American cultural resources by bypassing approximately 237 acres and an estimated 4 million tons of federal coal which would have been leased under Alternative A (the Proposed Action Alternative). Alternative C also allows for the recovery of federal coal which would be bypassed if not leased under Alternative B (the No Action Alternative).

The BLM received 26 written comments on the draft EIS. These comments and BLM's responses to them were included in the final EIS. All of the comments and the transcript of the formal hearing are on file in the Dickinson, ND and Billings, MT Offices of the BLM. BLM also received 13 written comments on the final EIS. All of the comments received during the process were considered in the preparation of the EIS and/or the Record of Decision.

BLM Notices of Availability for the draft EIS and for the final EIS were published in the **Federal Register** on April 30, 2004 (Volume 69, Number 84), and August 26, 2005 (Volume 70, Number 165).

DATES: The ROD was signed by the Field Manager (NDFO) on November 1, 2005, and by the Montana State Director on November 3, 2005. Parties in interest have the right to appeal that decision pursuant to 43 CFR part 4, within 30 days from the date of publication of this NOA in the **Federal Register**. The ROD contains instructions on taking appeals to the Interior Board of Land Appeals.

FOR FURTHER INFORMATION CONTACT:

Allen J. Ollila, phone: (701) 227-7735. Copies of the ROD may be obtained from the following BLM offices: North Dakota Field Office, 2933 3rd Avenue West, Dickinson, North Dakota 58601, (701) 227-7700; and Montana State Office, 5001 Southgate Drive, Billings, Montana 59107, (406) 896-5006.
