Title: Status of Claims Against Households

OMB Number: 0584-0069.

Form Number: FNS-209.

Expiration Date: May 31, 2006.

Type of Request: Extension of a currently approved collection with no change in burden hours.

Abstract: The Food Stamp Program (FSP) regulations at 7 CFR 273.18 require that State agencies establish, collect and efficiently manage food stamp recipient claims. These processes are required by Sections 11, 13 and 16 of the Food Stamp Act of 1977, 7 U.S.C. 2020, 2022 and 2025. Regulations at 7 CFR 273.18(m)(5) require State agencies to submit at the end of every quarter the completed Form FNS-209, Status of Claims Against Households. The information required for the FNS-209 report is obtained from a State accounting system responsible for establishing claims, sending demand letters, collecting claims, and managing other claim activity. In general, State agencies must report the following information on the FNS-209: the current outstanding aggregate claim balance; claims established; collections; any balance and collection adjustments; and the amount to be retained for collecting non-agency error claims. The burden associated with establishing claims (demand letters) and the Treasury Offset Program, both of which are also used to complete the FNS-209, are already approved under OMB burden numbers 0584-0492 and 0584-0446 respectively.

The estimated annual burden is 742 hours. This is the same as the currently approved burden. This estimate includes the time it takes each State agency to accumulate and tabulate the

data necessary to complete the report four times per year.
