SOCIAL SECURITY ADMINISTRATION

Rate for Assessment on Direct Payment of Fees to Representatives in 2006

AGENCY: Social Security Administration (SSA).

ACTION: Notice.

SUMMARY: The Social Security Administration is announcing that the assessment percentage rate under section 206(d) and 1631(d)(2)(C) of the Social Security Act (the Act), 42 U.S.C. 406(d), and 1383(d)(2)(C) is 6.3 percent for 2006.

FOR FURTHER INFORMATION CONTACT: James A. Winn, Associate General Counsel for Program Law, Office of the General Counsel, Social Security Administration, Phone: (410) 965-3137, e-mail jim.winn@ssa.gov.

SUPPLEMENTARY INFORMATION: Section 406 of Public Law No. 106-170, the Ticket to Work and Work Incentives Improvement Act of 1999, established an assessment for the services required to determine and certify payments to attorneys from the benefits due claimants under Title II of the Act. This provision is codified in section 206 of the Act (42 U.S.C. 406). That legislation set the assessment for the calendar year 2000 at 6.3 percent of the amount that would be required to be certified for direct payment to the attorney under section 206(a)(4) or 206(b)(1) before the application of the assessment. For subsequent years, the legislation requires the Commissioner of Social Security to determine the percentage rate necessary to achieve full recovery of the costs of determining and certifying fees to attorneys, but not in excess of 6.3 percent.

Beginning in 2005, sections 302 and 303 of Public Law 108-203, the Social Security Protection Act of 2004 (SSPA) extended the direct payment of fees to attorneys in cases under Title XVI of the Act and to eligible non-attorney representatives in cases under Title II and/or Title XVI of the Act. Fees directly paid under these provisions are subject to the same assessment. In addition, sections 301 and 302 of the SSPA imposed a dollar cap on the amount of the assessment, so that the assessment may not exceed the lesser of that dollar cap or the amount determined using the assessment percentage rate.

The Commissioner of Social Security has determined, based on the best available data that the current assessment percentage rate of 6.3 percent will continue for 2006. We will continue to review our costs on a yearly basis.

Dated: December 23, 2005.

Dale W. Sopper,

Deputy Commissioner for Finance, Assessment and Management.
