

Osaka, Japan. 70 FR 71330 (Nov. 28, 2005). The complaint, as supplemented, alleged violations of section 337 in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain axle bearing assemblies, components thereof, and products containing the same by reason of infringement of at least claim 1 of U.S. Patent No. 5,620,263. The complaint further alleged that an industry in the United States exists as required by subsection (a)(2) of section 337. The complainant requested that the Commission issue a limited exclusion order and a cease and desist order. The Commission named ILJIN Bearing of Gyeongju City, Kyungbuk, Korea and ILJIN USA of Novi, Michigan as respondents in the investigation. 70 FR at 71331. The ALJ set December 28, 2006, as the target date for completion of the investigation. Order No. 3 (Dec. 5, 2005).

The ALJ issued the subject ID on December 21, 2005. The ID granted the December 15, 2005, joint motion of complainant and respondents to replace respondent ILJIN Bearing with ILJIN Global. Respondent ILJIN Bearing informed complainant that ILJIN Global is the company that actually exports the accused products to the United States. The parties therefore agreed that ILJIN Global and not ILJIN Bearing is the proper respondent in this investigation. The ALJ found that "good cause" exists to permit this amendment to the complaint and notice of investigation because the information concerning ILJIN Global was obtained by complainant after the complaint was filed. The Commission investigative attorney supported the joint motion. No petitions for review of the ID were filed.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and Commission rule 210.42, 19 CFR 210.42.

By order of the Commission.
