SUPPLEMENTARY INFORMATION: The BPT will meet on February 8, 2006 to discuss the following agenda items.

February 8, 2006, 9 a.m. to 4 p.m.

1. Introductions.
2. Approval of draft agenda and assignment of rapporteurs.
3. Review of last plan team meeting and actions from the 129th Council Meeting.
4. Review the alternatives developed to address overfishing of bottomfish in the Main Hawaiian Islands.
5. Review Hawaii Division of Aquatic Resources proposed redefinition of bottomfish Restricted Fishing Areas in the Main Hawaiian Islands.
6. Review the Pacific Island Fisheries Science Center(PIFSC) report on Hawaii Bottomfish.
7. Status of PIFSC Bottomfish stock assessment.
8. Other business.

The order in which the agenda items are addressed may change. Public comment periods will be provided throughout the agenda.

The Agenda Background Information

On May 27, 2005, the Secretary of Commerce notified the Council of this overfishing determination and gave the Council until May 2006 to develop a plan to reduce fishing mortality for bottomfish in the MHI. Scientists at NMFS' Pacific Islands Fishery Science Center (PIFSC) report that the target level of effort reduction, based on 2003 fishery statistics, is 15 percent.

Although non-emergency issues not contained in this agenda may come before the Council for discussion, those issues may not be the subject of formal Council action during this meeting. Council action will be restricted to those issues specifically listed in this document and any issue arising after publication of this document that requires emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

DEPARTMENT OF COMMERCE**National Telecommunications and Information Administration****Notice: Request for Nominations, Spectrum Management Advisory Committee**

AGENCY: National Telecommunications and Information Administration.

ACTION: Reopening of nomination period.

SUMMARY: On October 28, 2005, the Department of Commerce's National Telecommunications and Information Administration published a notice in the **Federal Register** (70 FR 62,099) announcing the formation of the Spectrum Management Advisory Committee (Committee) and soliciting nominations for persons to serve on the Committee. The October 28, 2005 notice provided that all nominations of potential members must be received by the Department no later than November 28, 2005. The October 28, 2005 notice also provided additional information concerning the Committee and membership on the Committee. This notice reopens the nomination period in order to provide the public with an additional opportunity to submit nominations. The evaluation criteria for selecting members contained in the October 28, 2005 notice shall continue to apply.

DATES: The Department will accept nominations postmarked or electronically transmitted on or before January 31, 2006. Please note that nominations previously submitted at any time prior to the date of this notice (including those submitted after the November 28, 2005 deadline) will be considered and should not be resubmitted.

ADDRESSES: Persons wishing to submit nominations should send the nominee's resume to the attention of Joe Gattuso, Office of the Assistant Secretary, National Telecommunications and Information Administration, 1401 Constitution Avenue, NW., Room 4898, Washington DC 20230; by facsimile transmission to (202) 501-0536; or by electronic mail to spectrumadvisory@ntia.doc.gov.

FOR FURTHER INFORMATION CONTACT: Joe Gattuso at (202) 482-0977 or jgattuso@ntia.doc.gov.

SUPPLEMENTARY INFORMATION: On November 29, 2004, the President issued a Memorandum for the Heads of Executive Departments and Agencies on the subject of "Spectrum Management for the 21st Century."¹ Among other things, the Executive Memorandum directed the heads of the executive departments and agencies to implement the recommendations contained in two Commerce Department reports to the President identifying improvements in U.S. spectrum management.² The first recommendation in *Report 2* called for the establishment of a federal advisory committee within the National Telecommunications and Information Administration (NTIA).³

Pursuant to the Executive Memorandum, the Secretary of Commerce established the Spectrum Management Advisory Committee under the Federal Advisory Committee Act (FACA), 5 U.S.C. App. 2, consistent with the National Telecommunications and Information Administration Act, 47 U.S.C. 904(b). The Committee will report to the Assistant Secretary for Communications and Information. It will advise the Assistant Secretary on a broad range of issues regarding spectrum policy and on needed reforms to domestic spectrum policies and management to enable timely implementation of evolving spectrum-dependent technologies and services to benefit the public. The Committee will function solely as an advisory body in compliance with the FACA. The Committee's Charter appears on NTIA's Web site at <http://www.ntia.doc.gov>.

The criteria for selecting members contained in the October 28, 2005 notice shall continue to apply. The Secretary of Commerce intends to appoint representatives from a balanced cross-
