### Notice of Lodging of Consent Decree Under Comprehensive Environmental Response, Compensation and Liability Act

In accordance with Departmental policy, 28 CFR 50.7, notice is hereby given that on January 10, 2006, a proposed Consent Decree in *United States v. Beehive Barrel and Drum, Inc. d/b/a Cascade Cooperage, Inc.* (D. Utah), C.A. No. 2:04-CV-00570 (TC), was lodged with the United States District Court for the District of Utah, Central Division.

In this action, the United States seeks response costs incurred and to be incurred by the Environmental Protection Agency ("EPA"), pursuant to Section 107 of the Comprehensive Environmental Response, Compensation and Liability Act, as amended ("CERCLA"), 42 U.S.C. 9607, in connection with the Service First Barrel and Drum Site, located in Salt Lake City, Utah. Three defendants, Adria Rossomondo, Arthur Rossomondo, and Beehive Barrel and Drum, Inc. d/b/a Cascade Cooperage, Inc. ("Rossomondo Defendants"), have resolved the United States' response cost claims through this Consent Decree. The settlement incorporated in the Consent Decree does not resolve the United States' response cost claims or any other claim with

respect to the five other defendants named in the complaint.

The Consent Decree provides, *inter alia*, that the Rossomondo Defendants and EPA will enter into a settlement pursuant to EPA's ability-to-pay policies and procedures. As part of settlement negotiations, EPA requested that the Rossomondo Defendants provide information regarding each defendant's financial status, and the Rossomondo Defendants cooperatively provided all of the requested information, which was necessary under EPA's policies and procedures to perform an ability-to-pay settlement analysis. Based upon the analysis, EPA determined that the Rossomondo Defendants had the financial ability to pay a nominal amount, or \$325.00, of EPA's response costs that were incurred in connection with the clean-up of the Site.

The Department of Justice will receive, for a period of 30 days from the date of this publication, comments relating to the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General for the Environment and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. Beehive Barrel and Drum, Inc. d/b/a Cascade Cooperage, Inc.*, DOJ Ref. No. 90-11-3-08170.

The proposed Consent Decree may be examined at the Office of the United States Attorney, 185 South State, Ste. 400, Salt Lake City, Utah 84111; and U.S. EPA Region 8, 999 18th Street, Denver, Colorado 80202. During the public comment period, the proposed Consent Decree may also be examined on the following Department of Justice Web site, <http://www.usdoj.gov/enrd/open.html>. A copy of the proposed Consent Decree may be obtained by mail from the Consent Decree Library, P.O. [TA-W-58,047]

#### Plasti-Coil, Inc.; Lake Geneva, WI; Notice of Negative Determination Regarding Application for Reconsideration

By application of December 8, 2005 a petitioner requested administrative reconsideration of the Department's negative determination regarding

eligibility for workers and former workers of the subject firm to apply for Trade Adjustment Assistance (TAA) and Alternative Trade Adjustment Assistance (ATAA). The denial notice was signed on November 10, 2005 and published in the **Federal Register** on December 6, 2005 (70 FR 72653).

Pursuant to 29 CFR 90.18(c) reconsideration may be granted under the following circumstances:

(1) If it appears on the basis of facts not previously considered that the determination complained of was erroneous;

(2) If it appears that the determination complained of was based on a mistake in the determination of facts not previously considered; or

(3) If in the opinion of the Certifying Officer, a misinterpretation of facts or of the law justified reconsideration of the decision.

The TAA petition, filed on behalf of workers at Plasti-Coil, Inc., Lake Geneva, Wisconsin engaged in production of custom injection molding was denied because the "contributed importantly" group eligibility requirement of Section 222 of the Trade Act of 1974 was not met, nor was there a shift in production from that firm to a foreign country. The "contributed importantly" test is generally demonstrated through a survey of the workers' firm's declining customers. The survey revealed no increase in imports of custom injection molding. The subject firm did not import custom injection molding in the relevant period, nor did it shift production to a foreign country.

In the request for reconsideration, the petitioner alleges that the layoffs at the subject firm are attributable to a shift in production to China. To support the allegations, the petitioner attached a copy of the letter from the subject firm's company official stating that "a significant portion of the business has been transferred to China".

A company official was contacted regarding the above allegations. The company official confirmed what was revealed during the initial investigation. In particular, the official stated that Plasti-Coil, Inc., Lake Geneva, Wisconsin was contemplating to move portion of its production to China, however, the shift did not occur and there are no current plans to move production from the subject firm to a foreign country. The official further clarified that the letter mentioned by the petitioner meant that the subject firm's customers transferred significant volumes of their business to China and other Asian countries, which had a negative impact on production of the
