

OMB's current approval of this ICR is scheduled to expire on April 30, 2006.

II. Desired Focus of Comments

The Department is currently soliciting comments on the information collections contained in its regulation codified at 29 CFR 2590.609-2, National Medical Support Notice—Part B. The Department is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., by permitting electronic submissions of responses.

III. Current Actions

This notice requests comments on the extension of the ICR included in the regulation promulgating Part B of the National Medical Support Notice. The Department is not proposing or implementing changes to the existing ICR at this time. A summary of the ICR and the current burden estimates follows:
