

DEPARTMENT OF HOMELAND SECURITY**U.S. Citizenship and Immigration Services****Agency Information Collection Activities: Extension of a Currently Approved Information Collection; Comment Request**

ACTION: 30-Day notice of information collection under review; Biographic Information, Form G-325, 1615-0008.

The Department of Homeland Security, U.S. Citizenship and Immigration Services (USCIS) has submitted the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995. The information collection was previously published in the **Federal Register** on October 21, 2005, at 70 FR 61295. The notice allowed for a 60-day public comment period. No comments were received on this information collection.

A second notice allowing for a 60-day comment period was erroneously published on January 23, 2006, at 71 FR 3523. The January 23, 2006 notice should have allowed an additional 30 days for public comments rather than 60 days for public comments.

The purpose of this notice is to correct the information in the January 23, 2006 notice and to allow for an additional 30 days for public comments. Comments are encouraged and will be accepted until February 27, 2006. This process is conducted in accordance with 5 CFR 1320.10.

Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the Department of Homeland Security (DHS), USCIS, Director, Regulatory Management Division, Clearance Office, 111 Massachusetts Avenue, 3rd floor, Washington, DC 20529. Comments may also be submitted to DHS via facsimile to 202-272-8352 or via e-mail at rfs.regs@dhs.gov. When submitting comments by e-mail please make sure to add OMB Control Number 1615-0051 in the subject box. Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agencies estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) *Type of Information Collection: Extension of currently approved collection.*

(2) *Title of the Form/Collection: Biographic Information.*

(3) *Agency form number, if any, and the applicable component of the Department of Homeland Security sponsoring the collection: Form G-325, 1615-0008. U.S. Citizenship and Immigration Services.*

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Individuals and Households. This form is used to check other agency records on application or petitions submitted for benefits under the Immigration and Nationality Act. Additionally, this form is required for applicants for adjustment to permanent resident status and specific applicants for naturalization.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* 1,144,994 responses at 15 minutes (.25 hours) per response.

(6) *An estimate of the total public burden (in hours) associated with the collection:* 286,249 annual burden hours.

If you have additional comments, suggestions, or need a copy of the proposed information collection instrument with instructions, or additional information, please visit the USCIS Web site at: <http://uscis.gov/graphics/formsfee/forms/praindex.htm>.

If additional information is required contact: USCIS, Regulatory Management Division, 111 Massachusetts Avenue, 3rd Floor, Washington, DC 20529, (202) 272-8377.

Dated: January 23, 2006.

Richard A. Sloan,

*Director, Regulatory Management Division,
U.S. Citizenship and Immigration Services.*

BILLING CODE 4210-72-P

consistent with sound principles of fish and wildlife management, conservation, legal mandates, and Service policies. In addition to outlining broad management direction on conserving wildlife and their habitats, plans identify wildlife-dependent recreational opportunities available to the public, including opportunities for hunting, fishing, wildlife observation, wildlife photography, and environmental education and interpretation.

The purpose of this notice is to achieve the following:

- (1) Advise other agencies and the public of our intentions, and
- (2) Obtain suggestions and information on the scope of issues to include in the environmental document.

DATES: An open house style meeting will be held during the scoping phase and public draft phase of the comprehensive conservation plan development process. Special mailings, newspaper articles, and other media announcements will be used to inform the public and state and local government agencies of the dates and opportunities for input throughout the planning process.

ADDRESSES: Comments and requests for more information regarding the Eufaula National Wildlife Refuge planning process should be sent to: Mike Dawson, Refuge Planner, Fish and Wildlife Service, 6578 Dogwood View Parkway, Suite B, Jackson, Mississippi 39213; Telephone: 601/965-4903, ext. 20; Fax: 601/965-4010; Electronic mail: mike_dawson@fws.gov. To ensure consideration, written comments must be received no later than March 13, 2006. Our practice is to make comments, including names and addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home addresses from the record, which we will honor to the extent allowable by law.

SUPPLEMENTARY INFORMATION: Eufaula National Wildlife Refuge was established in 1964 to provide food and resting habitat for migratory waterfowl and wood ducks. It consists of 11,184 acres and several conservation easements and fee title tracts. The refuge occupies the upper portion of the Corps of Engineers' Walter F. George Reservoir (Lake Eufaula).

Some of the recreation and education opportunities on the refuge include hunting, fishing, photography, and wildlife observation. Approximately 325,000 people visit the refuge annually.

The Service will conduct a comprehensive conservation planning process that will provide opportunity for state and local governments, agencies, organizations, and the public to participate in issue scoping and public comment. Comments received by the planning team will be used as part of the planning process.

Authority: This notice is published under the authority of the National Wildlife Refuge System Improvement Act of 1997, Public Law 105-57.

Dated: October 27, 2005.

Cynthia K. Dohner,

Acting Regional Director.

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of receipt of applications for permit.

SUMMARY: The public is invited to comment on the following applications to conduct certain activities with endangered species.

DEPARTMENT OF THE INTERIOR

Fish and Wildlife Service

Notice of Intent To Prepare a Comprehensive Conservation Plan and Environmental Assessment for Eufaula National Wildlife Refuge in Barbour and Russell Counties, AL, and Stewart and Quitman Counties, GA

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of intent.

SUMMARY: The Fish and Wildlife Service, Southeast Region, intends to gather information necessary to prepare a comprehensive conservation plan and environmental assessment pursuant to the National Environmental Policy Act of 1969 and its implementing regulations.

The National Wildlife Refuge System Administration Act of 1966, as amended by the National Wildlife Refuge System Improvement Act of 1997, requires the Service to develop a comprehensive conservation plan for each national wildlife refuge. The purpose in developing a comprehensive conservation plan is to provide refuge managers with a 15-year strategy for achieving refuge purposes and contributing toward the mission of the National Wildlife Refuge System,
