I have determined that damage in certain areas of the State of Oklahoma, resulting from an extreme wildfire threat beginning on December 1, 2005, and continuing, is of sufficient severity and magnitude to warrant a major disaster declaration under the Robert T. Designation of specific counties eligible for reimbursement will be made on a weekly basis for the duration of the incident, and those designated for approved reimbursements will be based on measurable weather and fire conditions that identify areas threatened by an urgent danger from wildfires.

Consistent with the requirement that Federal assistance be supplemental, any Federal funds provided for Public Assistance, Hazard Mitigation, and Other Needs Assistance as authorized by the Stafford Act will be limited to 75 percent of the total eligible costs.

Further, you are authorized to make changes to this declaration to the extent allowable under the Stafford Act.
