

§ 73.5006 Filing of petitions against long-form applications.

* * * * *

(d) Broadcast construction permits will be granted by the Commission only if the Commission denies or dismisses all petitions to deny, if any are filed, and is otherwise satisfied that an applicant is qualified, and after full and timely payment of winning bids and any applicable late fees. See 47 CFR 73.5003. Construction of broadcast stations shall not commence until the grant of such permit or license to the winning bidder and only after full and timely payment of winning bids and any applicable late fees.

PART 74—EXPERIMENTAL RADIO, AUXILIARY, SPECIAL BROADCAST AND OTHER PROGRAM DISTRIBUTIONAL SERVICES

■ 11. The authority citation for part 74 continues to read as follows:

Authority: 47 U.S.C. 154, 303, 307, 336(f), 336(h) and 554.

■ 12. Amend § 74.1233 by revising paragraph (d)(5)(ii) to read as follows:

§ 74.1233 Processing FM translator and booster station applications.

* * * * *

(d) * * *
(5) * * *

(ii) Winning bidders are required to pay the balance of their winning bids in a lump sum prior to the deadline established by the Commission pursuant to § 1.2109(a) of this chapter. Long-form construction permit applications will be processed and the FCC will periodically release a Public Notice listing such applications that have been accepted for filing and announcing a date by which petitions to deny must be filed in accordance with the provisions of §§ 73.5006 and 73.3584. Construction permits will be granted by the Commission only after full and timely payment of winning bids and any applicable late fees, and if the applicant is duly qualified, and upon examination, the FCC finds that the

public interest, convenience and necessity will be served. If a winning bidder fails to pay the balance of its winning bid in a lump sum by the applicable deadline as specified by the Commission, it will be allowed to make payment within ten (10) business days after the payment deadline, provided that it also pays a late fee equal to five (5) percent of the amount due in accordance with § 1.2109(a) of this chapter. Construction of the FM translator station shall not commence until the grant of such permit to the winning bidder and only after full and timely payment of winning bids and any applicable late fees.

BILLING CODE 6712-01-P

DEPARTMENT OF THE INTERIOR**Fish and Wildlife Service****50 CFR Part 17****Endangered and Threatened Wildlife and Plants; Addition of White Abalone and the United States Distinct Vertebrate Population Segment of the Smalltooth Sawfish to the List of Endangered and Threatened Wildlife; Correction**

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Final rule; correction.

SUMMARY: We, the Fish and Wildlife Service (Service), published a final rule to add two marine taxa to the List of Endangered and Threatened Wildlife in accordance with the Endangered Species Act of 1973, as amended, on November 16, 2005. For one of the two taxa, the white abalone (*Haliotis sorenseni*), we incorrectly published in the List of Endangered and Threatened Wildlife at § 17.11(h) that the species was Threatened, when it is actually listed as Endangered. We now correct that error.

EFFECTIVE DATE: November 16, 2005.

FOR FURTHER INFORMATION CONTACT:

Marjorie Nelson, Branch of Listing, Endangered Species Program, U.S. Fish and Wildlife Service, 4401 N. Fairfax Drive, Mail Stop 420, Arlington, Virginia 22203 (703-358-2105).

SUPPLEMENTARY INFORMATION: In the November 16, 2005, **Federal Register** (70 FR 69464), we published a final rule to add two marine taxa to the List of Endangered and Threatened Wildlife (List) in accordance with the Endangered Species Act of 1973, as amended (16 U.S.C. 1531 *et seq.*). For one of the two taxa, the white abalone (*Haliotis sorenseni*), we incorrectly indicated in the List at § 17.11(h) that this species was Threatened, when we should have indicated that it was Endangered. We now correct that error. This correction is typographical in nature and involves no substantial changes to the substance in the contents of our prior final rule.

List of Subjects in 50 CFR Part 17

Endangered and threatened species, Exports, Imports, Reporting and recordkeeping requirements, Transportation.

Regulation Correction**PART 17—[CORRECTED]**

■ For reasons set forth in the preamble, we make the following correcting amendment to 50 CFR part 17:

■ 1. The authority citation for part 17 continues to read as follows:

Authority: 16 U.S.C. 1361-1407; 16 U.S.C. 1531-1544; 16 U.S.C. 4201-4245; Pub. L. 99-625, 100 Stat. 3500; unless otherwise noted.

■ 2. Amend § 17.11 by adding the following, in alphabetical order under CLAMS, to the List of Endangered and Threatened Wildlife:

§ 17.11 Endangered and Threatened Wildlife.

* * * * *

(h) * * *

Species		Historic range	Vertebrate population where endangered or threatened	Status	When listed	Critical habitat	Special rules

BILLING CODE 4310-55-P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

50 CFR Part 679

[Docket No. 041126332-5039-02; I.D. 020106A]

Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Vessels 60 Feet (18.3 Meters) Length Overall and Using Pot Gear in the Bering Sea and Aleutian Islands Management Area

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure.

SUMMARY: NMFS is prohibiting directed fishing for Pacific cod by catcher vessels 60 feet (18.3 meters (m)) length overall (LOA) and longer using pot gear in the Bering Sea and Aleutian Islands management area (BSAI). This action is necessary to prevent exceeding the A season allowance of the 2006 Pacific cod allowable catch (TAC) of Pacific cod specified for catcher vessels using pot gear in the BSAI.

DATES: Effective 1200 hrs, Alaska local time (A.l.t.), February 3, 2006, though 1200 hrs, A.l.t., June 10, 2006.

FOR FURTHER INFORMATION CONTACT: Josh Keaton, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the BSAI exclusive economic zone according to the Fishery Management Plan for Groundfish of the Bering Sea and Aleutian Islands Management Area (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The A season allowance of the 2006 Pacific cod TAC allocated to catcher vessels using pot gear in the BSAI is 8,234 metric tons as established by the 2005 and 2006 final harvest specifications for groundfish in the BSAI (70 FR 8979, February 24, 2005). See § 679.20(c)(3)(iii), (c)(5), (a)(7)(i)(A), and (a)(7)(i)(C)(i)(iv).

In accordance with § 679.20(d)(1)(iii), the Administrator, Alaska Region, NMFS, has determined that the A season allowance of the 2006 Pacific cod TAC allocated to catcher vessels using pot gear in the BSAI has been reached. Consequently, NMFS is prohibiting directed fishing for Pacific cod by catcher vessels 60 feet (18.3 m) LOA and longer using pot gear in the BSAI. Vessels less than 60 feet (18.3 m) LOA using pot gear in the BSAI may continue to participate in the directed fishery for Pacific cod under a separate Pacific cod allocation to catcher vessels less than 60 feet (18.3 m) LOA using hook-and-line or pot gear.

After the effective date of this closure the maximum retainable amounts at § 679.20(e) and (f) apply at any time during a trip.

Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA, (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries data in a timely fashion and would delay the closure of Pacific cod by catcher vessels 60 feet (18.3 m) LOA and longer using pot gear in the BSAI.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

This action is required by § 679.20 and is exempt from review under Executive Order 12866.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: February 1, 2006.

Alan D. Risenhoover,
Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.
