regulations in effect at the time the conduct occurred.

Mark E. Matthews,
Deputy Commissioner for Services and Enforcement.

Arnold I. Havens,
General Counsel, Office of the Secretary.

[Docket No. OAA–09–CA–00014; FRL–8029–1]

Revisions to the California State Implementation Plan, South Coast Air Quality Management District

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA is proposing to approve revisions to the South Coast Air Quality Management District (SCAQMD) portion of the California State Implementation Plan (SIP). These revisions concern volatile organic compound (VOC) emissions from solvent degreasers. We are proposing to approve local rules to regulate these emission sources under the Clean Air Act as amended in 1990 (CAA or the Act).

DATES: Any comments on this proposal must arrive by March 10, 2006.

ADDRESSES: Submit comments, identified by docket number R09–OAR–2005–CA–0014, by one of the following methods:

2. E-mail: steckel.andrew@epa.gov.
3. Mail or deliver: Andrew Steckel (Air-4), U.S. Environmental Protection Agency Region IX, 75 Hawthorne Street, San Francisco, CA 94105–3901.

Instructions: All comments will be included in the public docket without change and may be made available online at http://www.regulations.gov, including any personal information provided, unless the comment includes Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Information that you consider CBI or otherwise protected should be clearly identified as such and should not be submitted through http://www.regulations.gov or e-mail. http://www.regulations.gov is an “anonymous access” system, and EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send e-mail directly to EPA, your e-mail address will be automatically captured and included as part of the public comment. If EPA cannot read your comment due to technical difficulties and cannot contact you for clarification, EPA may not be able to consider your comment.

DOCKET: The index to the docket for this action is available electronically at http://www.regulations.gov and in hard copy at EPA Region IX, 75 Hawthorne Street, San Francisco, California. While all documents in the docket are listed in the index, some information may be publicly available only at the hard copy location (e.g., copyrighted material), and some may not be publicly available in either location (e.g., CBI). To inspect the hard copy materials, please schedule an appointment during normal business hours with the contact listed in the FOR FURTHER INFORMATION CONTACT section.

FOR FURTHER INFORMATION CONTACT:
Francisco Dóñez, EPA Region IX, (415) 972–3956, Donez.Francisco@epa.gov.

SUPPLEMENTARY INFORMATION: This proposal addresses the following local rule: SCAQMD 1122. In the Rules and Regulations section of this Federal Register, we are approving this local rule in a direct final action without prior proposal because we believe these SIP revisions are not controversial. If we receive adverse comments, however, we will publish a timely withdrawal of the direct final rule and address the comments in subsequent action based on this proposed rule.

We do not plan to open a second comment period, so anyone interested in commenting should do so at this time. If we do not receive adverse comments, no further activity is planned. For further information, please see the direct final action.

Dated: December 20, 2005.

Jane Diamond,
Acting Regional Administrator, Region IX.

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Parts 52 and 81

Approval and Promulgation of Implementation Plans; Designation of Areas for Air Quality Planning Purposes; State of Arizona; Finding of Attainment for Ajo Particulate Matter of 10 Microns or Less (PM10) Nonattainment Area; Determination Regarding Applicability of Certain Clean Air Act Requirements

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA is proposing to determine that the Ajo moderate PM–10 nonattainment area in Arizona has attained the National Ambient Air Quality Standards (NAAQS) for particulate matter with an aerodynamic diameter less than or equal to a nominal 10 micrometers (PM10). This determination is based upon monitored air quality data for the PM10 NAAQS during the years 2002–2004. EPA also finds that the Ajo area has continued to attain the PM10 NAAQS since 2004. Based on this determination, EPA is also proposing to determine that certain Clean Air Act requirements are not applicable for so long as the Ajo area continues to attain the PM10 NAAQS.

DATES: Any comments on this proposal must arrive by March 10, 2006.

ADDRESSES: Submit your comments, identified by Docket ID No. EPA–R09–OAR–2005–AZ–0006 by one of the following methods:

• http://www.regulations.gov. Follow the on-line instructions for submitting comments.
• E-mail: tax.wienke@epa.gov.
• Fax: (415) 947–3579 (please alert the individual listed in the FOR FURTHER INFORMATION CONTACT if you are faxing comments).

Mail: Wieke Tax, Office of Air Planning, Environmental Protection Agency (EPA), Region 9, Mailcode AIR–2, 75 Hawthorne Street, San Francisco, California 94105–3901.

• Hand Delivery: Wieke Tax, Office of Air Planning, Environmental Protection Agency (EPA), Region 9, Mailcode AIR–2, 75 Hawthorne Street, San Francisco, California 94105–3901. Such deliveries are only accepted Monday through Friday, 8 a.m. to 4:55 p.m., excluding Federal holidays. Special arrangements should be made for deliveries of boxed information.
We further propose to determine that, because the Ajo area has continued to attain the PM_{10} NAAQS, certain attainment demonstration requirements, along with other related requirements of the CAA, are not applicable to the Ajo area. For further information on this proposal and the rationale underlying our proposed action, please see the direct final action.

Dated: January 24, 2006.

Wayne Nastrig, Regional Administrator, Region 9.

[Docket No. MARAD–2006–23804]

RIN 2133–AB88

Maintenance and Repair Reimbursement Pilot Program

AGENCY: Maritime Administration, Department of Transportation.

ACTION: Notice of proposed rulemaking.

SUMMARY: This proposed rule will amend the Maritime Administration’s (MARAD’s) regulations governing its pilot program for the reimbursement of costs of qualified maintenance and repair (M&R) of Maritime Security Program (MSP) vessels performed in United States shipyards. Under Public Law 109–163, the Secretary of Transportation, acting through the Maritime Administrator, is directed to implement regulations that, among other things, replace MARAD’s voluntary M&R reimbursement program with a mandatory system.

DATES: Comments are due by April 10, 2006.

ADDRESSES: You may submit comments [identified by DOT DMS Docket Number MARAD–2006–23804] by any of the following methods:

Follow the instructions for submitting particles, which are particles between 2.5 and 10 micrometers (PM_{2.5–10}). Upon finalization of a primary 24-hour standard for PM_{2.5–10}, EPA proposes to revoke the current 24-hour PM_{10} standard in all areas of the country except in areas where there is at least one monitor located in an urbanized area (as defined by the U.S. Bureau of the Census) with a minimum population of 100,000 that violates the current 24-hour PM_{10} standard based on the most recent three years of data. In addition, EPA proposes to revoke the current annual PM_{10} standard upon finalization of a primary 24-hour standard for PM_{2.5–10}.
