Office of the Secretary

Submission for OMB Review: Comment Request

The Department of Labor (DOL) has submitted the following public information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (Pub. Comments should be sent to Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for the Bureau of Labor Statistics (BLS), Office of Management and Budget, Room 10235, Washington, DC 20503, 202-395-7316 (this is not a toll-free number), within 30 days from the date of this publication in the **Federal Register**.

The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Agency: Bureau of Labor Statistics.

Type of Review: Extension of a currently approved collection.

Title: Job Openings and Labor Turnover Survey (JOLTS).

OMB Number: 1220-0170.

Frequency: Monthly.

Type of Response: Reporting.

Affected Public: Business and other for-profit; Not-for-profit institutions; Federal Government; and State, local, or tribal government.

Number of Respondents: 16,400.

Number of Annual Responses: 132,840.

Estimated Average Response: 10 minutes.

Total Burden Hours: 22,140.

Total Annualized Capital/Startup Costs: \$0.

Total Annual Costs (operating/maintaining systems or purchasing services): \$0.

Description: The Job Openings and Labor Turnover Survey (JOLTS) will collect data on job vacancies, labor hires, and labor separations. The data are used as demand-side indicators of labor shortages. These indicators of labor shortages at the national level greatly enhance policy makers' understanding of imbalances between the demand and supply of labor. Presently there is no other economic indicator of labor demand with which to

assess the presence of labor shortages in the U.S. labor market. The availability of unfilled jobs is an important measure of tightness of job markets, symmetrical to unemployment measures.

Departmental Clearance Officer.

Announcement Type: New. Notice of Solicitation for Grant Applications and Announcement of Competition Waivers.

Funding Opportunity Number: SGA/DFA-PY-05-05.

Catalog of Federal Domestic Assistance (CFDA) Number: 17.265

Key Dates: The closing date for receipt of applications under this announcement is by 5 p.m. (Eastern Time), 30 days after the date of publication in the **Federal Register**. Application and submission information is explained in detail in Part IV of this Solicitation for Grant Applications (SGA).

Summary: The U.S. Department of Labor (DOL), Employment and Training Administration (ETA), announces the availability of competitive grant funds to provide employment and training services to Indians, Alaska Natives and Native Hawaiians under section 166 of the Workforce Investment Act (WIA) for Program Years (PY) 2006, and 2007 (July 1, 2006 through June 30, 2008).

Competition for section 166 grants is conducted every two years, except that the Secretary may waive the requirement for such competition for current grantees that have performed satisfactorily.

Through this Notice, the Department announces that the Secretary has waived competition for this solicitation for grantees that have performed satisfactorily under their current grant. (See Attachment A for a list of grantees receiving waivers.) To apply for an award of funds for PY 2006 and 2007 for their current service area, current grantees receiving a waiver of competition only need to submit a cover letter, signed by an authorized signatory, and a Standard Form (SF) 424 Application for Federal Assistance

(Version 02), which will serve as the grantee's "Notice of Intent" (NOI) to continue providing WIA section 166 services. Submittals on <http://www.grants.gov>, with authorized electronic signatures, will also be accepted in place of the hard copy cover letter and SF 424.

The Secretary has also waived competition for this solicitation for those grantees operating a WIA section 166 training and employment program as part of a Pub. L. 102-477 Demonstration Project, which allows federally-recognized tribes, or entities serving federally-recognized tribes, to consolidate formula-funded employment, training, and related dollars under a single service plan administered by the Department of the Interior. (See Attachment B for a list of Pub. L. 102-477 grantees.) Grantees operating a WIA section 166 grant as part of a Public Law 102-477 Demonstration Project will need to submit a cover letter, signed by an authorized signatory, and a Standard Form (SF) 424 Application for Federal Assistance (Version 02), which will serve as the grantee's "Notice of Intent" (NOI) to continue providing WIA section 166 services to the address provided in section IV (3) of this notice. Submittals on <http://www.grants.gov>, with authorized electronic signatures, will also be accepted in place of the hard copy cover letter and SF 424.

Competition for funding under this solicitation is limited to the geographic areas listed in Attachment C of this SGA. Any eligible entity, including new applicants and current grant recipients serving other geographic areas, may apply for funding to serve these areas. Current grantees serving these geographic areas are subject to competition and must submit a grant application as specified in Part IV (2) in order to compete for their existing service area.

Important: Organizations seeking WIA section 166 funding for this period must comply with the provisions of this SGA. Late applications from current grantees or new applicants will not be considered for those geographic service areas that are in competition (as listed in Attachment C).

A list of current grantees and the geographic areas they serve can be found at: <http://www.doleta.gov/dinap/cfml/CensusData.cfm>.

Addresses: Applications may be submitted electronically on <http://www.grants.gov> or in hard-copy via mail or hand delivery. Mailed applications must be sent to: U.S. Department of Labor, ETA, Room N-4617, 200 Constitution Ave., NW., Washington,
