Notice of Extension of Time Limit for Preliminary Results of Administrative Review: Polyethylene Terephthalate (PET) Film from India

AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

EFFECTIVE DATE: February 21, 2006.

FOR FURTHER INFORMATION CONTACT: Toni Page or Scott Lindsay, Office of AD/CVD Operations 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th

Street and Constitution Avenue, NW., Washington DC 20230; telephone: (202) 482-1398 or (202) 482-0780, respectively.

SUPPLEMENTARY INFORMATION:

Background

On August 29, 2005, in response to timely requests from Dupont Teijin Films, Mitsubishi Polyester Film of America, and Toray Plastics (America), Inc., (collectively, Petitioners), Jindal Poly Films Limited (Jindal), and Garware Polyester Limited (Garware), the Department of Commerce (the Department) initiated an administrative review of the countervailing duty order on polyethylene terephthalate (PET) film from India with respect to Jindal, Garware, and Polyplex Corporation Limited. See *Notice of Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 70 FR 51009 (August 29, 2005). The period of review is January 1, 2004 through December 31, 2004.

Extension of Time Limits for Preliminary Results

Section 351.213(h)(1) of the Department's regulations requires the Department to issue the preliminary results of a review within 245 days after the last day of the anniversary month of the order or suspension agreement for which the administrative review was requested, and final results of the review within 120 days after the date on which notice of the preliminary results are published in the **Federal Register**. However, if the Department determines that it is not practicable to complete the review within the aforementioned specified time limits, section 351.213(h)(2) of the Department's regulations allows the Department to extend the 245-day period to 365 days and to extend the 120-day period to 180 days. We determine that it is not practicable to complete the preliminary results of this review within the original time limit because, due to the large number of programs under review, the Department needs additional time to analyze the questionnaire responses and issue appropriate supplemental questionnaires. Therefore, the Department is extending the deadline for completion of the preliminary results of the administrative review of the countervailing duty order on PET

film from India until no later than July 31, 2006.

This notice is published pursuant to sections 751(a)(1) and 777(i)(1) of the Tariff Act of 1930, as amended.

Dated: February 14, 2006.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Notice of Amended Final Determination of Sales at Less Than Fair Value: Certain Orange Juice from Brazil

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: February 21, 2006.

FOR FURTHER INFORMATION CONTACT: Elizabeth Eastwood or Jill Pollack, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-3874 or (202) 482-4593, respectively.

SUPPLEMENTARY INFORMATION:

Amendment to Final Determination

In accordance with sections 735(a) and 777(i)(1) of the Tariff Act of 1930, as amended, (the Act), on January 13, 2006, the Department published its notice of final determination of sales at less than fair value (LTFV) in the investigation of certain orange juice from Brazil. See *Notice of Final Determination of Sales at Less Than Fair Value and Affirmative Final Determination of Critical Circumstances: Certain Orange Juice from Brazil*, 71 FR 2183 (Jan. 13, 2006). On January 17, 2006, we received an allegation, timely filed pursuant to 19 CFR 351.224(c)(2), from the petitioners (*i.e.*, Florida Citrus Mutual, A. Duda & Sons, Inc. (doing business as Citrus Belle), Citrus World, Inc., and Southern Garden Citrus Processing Corporation (doing business as Southern Gardens)) that the Department made ministerial errors with respect to its final determination dumping margin calculations.

After analyzing the petitioners' submission, we have determined, in accordance with 19 CFR 351.224(e), that we made the following ministerial errors in the final determination:

- we inadvertently treated Fischer S/A - Agroindustria (Fischer) and an affiliated orange juice producer as separate entities for purposes of the cost test and product concordance, even though we had determined that it was appropriate to collapse them pursuant to 19 CFR 351.401(f), which resulted in constructed value incorrectly being used as the basis for normal value in Fischer's final margin calculations;
- we erred in the placement of programming language related to the application of adverse facts available to certain of Fischer's U.S. sales in the dumping margin program; and
- we mischaracterized the calculation of per-unit net U.S. customs duty expenses for Sucocitrico Cutrale Ltda.'s (Cutrale's) U.S. sales of frozen concentrated orange juice for manufacture (FCOJM) in our final determination. Specifically, we incorrectly stated that we recalculated Cutrale's per-unit net U.S. duties by allocating them only over Cutrale's period of investigation U.S. sales of FCOJM, rather than Cutrale's U.S. sales of both FCOJM and Not-From-Concentrate orange juice. However, the calculation of these customs duties itself, as well as their application to only FCOJM, was correct.

Correcting these errors results in a revised margin for Fischer. In addition, we have revised the calculation of the "All Others" rate accordingly.

For a detailed discussion of all ministerial errors alleged by the petitioners as well as the Department's analysis, see the February 8, 2006, memorandum from the team to Irene Darzenta Tzafolias entitled, "Ministerial Error Allegations in the Final Determination of the Antidumping Duty Investigation on Certain Orange Juice from Brazil."

Therefore, in accordance with 19 CFR 351.224(e), we are amending the final determination of sales at LTFV in the antidumping duty investigation of certain orange juice from Brazil. The revised weighted-average dumping margins are as follows:

Manufacturer/Exporter	Final Determination Weighted-Average Margin Percentage	Amended Weighted-Average Margin Percentage
Fischer S/A - Agroindustria	9.73	12.46
