[Release No. 34-53315; File No. SR-PCX-2006-09]

Self-Regulatory Organizations; Pacific Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Extending the SizeQuote Mechanism Pilot Program for a Period of One Year

February 15, 2006.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 6, 2006, the Pacific Exchange, Inc. ("PCX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by PCX. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(6) thereunder,⁴ which renders it effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

PCX proposes to amend its rules in order to extend the SizeQuote Mechanism Pilot Program ("Pilot Program") contained in PCX Rule 6.47(g), for a one-year period ending February 15, 2007. The text of the proposed rule change is available on the Exchange's Web site (<http://www.pacificex.com>), at the Exchange's Office of the Secretary and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the PCX included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposal is to extend for one year the Exchange's SizeQuote Mechanism Pilot Program ("Pilot Program"). The current Pilot Program, established when the PCX filed SR-PCX-2005-35,⁵ was effective upon filing, and expires on February 15, 2006. At the time SR-PCX-2005-35 was filed, the Exchange represented that at the completion of the Pilot Program the PCX would provide to the Commission a report summarizing the effectiveness of the SizeQuote program. While the Exchange believes that the SizeQuote Mechanism can be an effective tool for Floor Brokers to use while executing large size orders in open outcry, the mechanism has not been used frequently enough to supply sufficient evidence to evaluate the effectiveness of the Pilot Program. In order to allow for additional time to compile sufficient evidence as to the effectiveness of the Pilot Program, the PCX proposes to extend the Pilot Program for a one-year period ending February 15, 2007. At the end of the extended Pilot Program the PCX feels it will be able to supply the Commission with a report summarizing the effectiveness of the program.

2. Basis

The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act,⁶ in general, and furthers the objectives of section 6(b)(5) of the Act,⁷ in particular, in that it is designed to facilitate transactions in securities, to promote just and equitable principles of trade and to protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments on the proposed rule change were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not:

- (i) Significantly affect the protection of investors or the public interest;
- (ii) Impose any significant burden on competition; and
- (iii) Become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to section 19(b)(3)(A) of the Act⁸ and Rule 19b-4(f)(6) thereunder.⁹ At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

A proposed rule change filed under section 19b-4(f)(6) normally may not become operative prior to 30 days after the date of its filing.¹⁰ Rule 19b-4(f)(6)(iii) permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest.¹¹ PCX has requested that the Commission waive the 30-day operative delay. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest so that the Pilot Program may continue until February 15, 2007 without interruption.¹²

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

⁸ 15 U.S.C. 78s(b)(3)(A).

⁹ 17 CFR 240.19b-4(f)(6). Pursuant to Rule 19b-4(f)(6)(iii) under the Act, the Exchange is required to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Commission notes that the Exchange provided notice of the filing at least five business days prior to the date of filing.
